U.S. SECURITIES AND
EXCHANGE COMMISSION

COMMISSION ANNOUNCEMENTS

STATEMENT OF MANAGEMENT ON INTERNAL ACCOUNTING CONTROL

The Commission announced the publication of a release proposing for public comment amendments to Form 10-K, Regulation 14A, and Regulation S-K which would require inclusion of a statement of management on internal accounting control in Forms 10-K and in annual reports to security holders furnished pursuant to the proxy rules.

The amendments are proposed to be adopted in two stages. For periods ending after December 15, 1979 but before December 16, 1980 for which audited balance sheets are required, the statement of management on internal accounting control would be required to include (1) management's opinion as to whether, as of the date of such audited balance sheet, the systems of internal accounting control of the registrant and its subsidiaries provided reasonable assurances that specified objectives of internal accounting control (representing the objectives of internal accounting control contained in the Foreign Corrupt Practices Act of 1977) were achieved; and (2) a description of any material weaknesses in internal accounting control communicated by the independent accountants of the registrant or its subsidiaries which have not been corrected, and a statement of the reasons why they have not been corrected.

For period ending after December 15, 1980 for which audited statements of income are required, the statement of management on internal accounting control would be required to include management's opinion as to whether, for such periods, the systems of internal accounting control of the registrant and its subsidiaries provided reasonable assurances that the specified objectives of internal accounting control were achieved. In addition, the statement of management on internal accounting control would be required to be examined and reported on by an independent public accountant for such periods.

Comments should be submitted in triplicate to George A. Fitzsimmons, Secretary, Securities and Exchange Commission, 500 North Capitol Street, Washington, D.C. 20549 on or before July 31, 1979 and should refer to File No. S7-779. (Rel. 34-15772)

CRIMINAL PROCEEDINGS

FUTURISTIC FOODS DEFENDANTS PLEAD GUILTY

The New York Regional Office announced that on April 23 Futuristic Foods, Inc., Future Mart, Inc., Peter Cancilla, Richard Mulligan, Arthur Shevack and Dennis Shevack, all of New York City, plead guilty to charges of criminal contempt of an injunction which had been entered against the same defendants on June 18, 1976. The Commission had alleged that the defendants wilfully disobeyed the injunction by engaging in a fraudulent pyramid scheme designed to sell securities, in the form of investment contracts, to the public. The Honorable William C. Conner, U.S. District Judge for the Southern District of New York, accepted the pleas and set June 7 for sentencing.

At the same time, the Commission filed its criminal contempt action, a civil action seeking the appointment of a receiver for Futuristic Foods, Inc. and related entities and other ancillary relief was filed. The parties have agreed to submit orders disposing of the civil action. (U.S. x rel. SEC v. Futuristic Foods, Inc., et al., 79 Cr. Misc. #1 (page 7) WCC). (LR-8734)

The district court's action was taken pursuant to a September 5, 1978 order entered by the U.S. Court of Appeals for the Seventh Circuit dismissing the Commission's appeal from the district court's judgments and remanding the matter to the district court with directions to vacate its opinions in the case and also to dismiss the case for mootness. (SEC v. Univest, Inc., et al., N.D. Ill., Civil Action No. 75-C-1488). (LR-8735)
