In general, the Commission expects to follow a schedule of holding closed meetings on Tuesdays, and open meetings on Thursday morning. Meetings on Wednesday, and if necessary on Thursday afternoons, will be either open or closed according to the requirements of agenda items under consideration. The Commission will not normally meet on Mondays or Fridays.

The open Commission meeting scheduled for Wednesday, January 11, 1984, at 10:00 a.m. has been rescheduled for Tuesday, January 17, 1984, at 9:30 a.m. (See notice below.) The closed Commission meeting which was originally scheduled to follow the open meeting on January 11 will be held at 10:00 a.m.

SCHEDULE FOR COMMISSION MEETINGS FOR WEEK OF JANUARY 16

OPEN MEETING - TUESDAY, JANUARY 17, 1984 - 9:30 A.M.

The subject matter of the open meeting schedule for Tuesday, January 17, 1984, at 9:30 a.m., will be:

(1) Consideration of whether to adopt Rule 17Ad-14 under Section 17A(d)(1) of the Securities Exchange Act of 1934. That rule would require registered transfer agents acting for bidders as "tender agents" -- i.e., as "depositories" during tender offers or as "exchange agents" during exchange offers -- to establish special accounts with certain securities depositories. These accounts would permit depository participants (e.g., broker-dealers and banks) to deliver tendered securities to, or receive withdrawn securities from, the tender agent by book-entry. Tender agents would have to establish these accounts with all registered securities depositories that have Commission-approved automated tender offer procedures, within two business days after the tender or exchange offer begins. FOR FURTHER INFORMATION, PLEASE CONTACT Thomas V. Sjoblom at (202) 272-7379.

(2) Consideration of whether to propose for public comment amendments to Rule 12d-1 and rescission of Rule 2a-3 under the Investment Company Act of 1940 and related disclosure requirements. The proposed amendments to Rule 12d-1 would permit investment companies to invest in securities issued by persons engaged in securities activities, directly or indirectly, as a broker, dealer, underwriter, or investment adviser. FOR FURTHER INFORMATION, PLEASE CONTACT Elizabeth K. Norsworthy at (202) 272-2048.

CLOSED MEETING - TUESDAY, JANUARY 17, 1984 - FOLLOWING THE OPEN MEETING

The subject matter of the January 17 closed meeting will be: Formal orders of investigation; Dissolution of injunctive action.

OPEN MEETING - WEDNESDAY, JANUARY 18, 1984 - 3:00 P.M.

The subject matter of the open meeting scheduled for Wednesday, January 18, 1984, at 3:00 p.m. will be:

CIVIL PROCEEDINGS

COMPLAINT NAMES DORCHESTER GAS CORPORATION

The Commission filed a complaint on January 9 in the U.S. District Court for the District of Columbia against Dorchester Gas Corporation of Dallas, Texas. The complaint alleges violations of the proxy provisions of the Securities Exchange Act of 1934. Specifically, the complaint alleges that on or about November 15, 1983, Dorchester furnished proxy materials relating to the annual shareholders meeting at which shareholders were to vote on three anti-takeover proposals. Dorchester's proxy materials stated that the Board of Directors had no knowledge at that time of any specific effort to accumulate the company's securities or to obtain control of the company. Dorchester's proxy materials did not disclose the facts and circumstances concerning a leveraged buy-out of Dorchester including, but not limited to, the fact that Dorchester had authorized its investment banker to explore the feasibility of a leveraged buy-out of Dorchester, authorized its investment banker to pursue the development of a leveraged buy-out on a confidential basis or that Dorchester had entered into a written fee agreement with its investment banker concerning the leveraged buy-out.

Simultaneous with the filing of the complaint, Dorchester, without admitting or denying the allegations in the complaint, consented to an Order prohibiting it from soliciting any proxy or consent or authorization or using any proxy statement, form of proxy, notice of meeting or other communication which concerns or relates to any proposal of defensive or anti-takeover measures or any proposal having any defensive or anti-takeover effect unless each is complete and accurate in all respects and contains all of the information required by the Commission's rules and regulations. Dorchester also consented to the entry of an Order directing it to comply with its undertakings that it will not utilize any proxies or consents or authorizations received in connection with the proxy materials furnished to shareholders on or about November 15, 1983 and that in connection with the solicitation of any proxy or consent or authorization following the entry of the Order in this matter, Dorchester will disclose all material facts relating to the leveraged buy-out of Dorchester and will summarize the allegations contained in the complaint and the settlement of this matter. (SEC v. Dorchester Gas Corporation, U.S.D.C. D.C.) (LR-10255)
