U.S. SECURITIES AND
EXCHANGE COMMISSION

ADMINISTRATIVE PROCEEDINGS

ADVANCED CHEMICAL STOP ORDER ISSUED

The Commission has issued a stop order suspending the effectiveness of a registration statement filed under the Securities Act by Advanced Chemical Corporation, of Salt Lake City, relating to a proposed public offering of 30,000,000 shares of the company's common stock at five cents per share. Advanced, a development stage company with no significant operating history, manufactures and markets epoxy-based industrial coating or paint.

In determining that a stop order should issue, the Commission found that the Advanced registration statement contained material misstatements. Among other things, the statement listed a \$125,000 certificate of deposit as a company asset without disclosing that the certificate had been pledged to secure a bank loan to another firm, and that the bank had foreclosed its lien on the certificate when that firm defaulted. The registration statement also reflected non-existent interest income on the certificate, and included a fictitious transaction in the amount of \$59,950 as part of total gross sales of \$120,891. (Rel. 33-6507)

CIVIL PROCEEDINGS

COMPLAINT NAMES MV SECURITIES, INC. a/k/a MULTI-VEST SECURITIES, INC., OTHERS

The Commission announced that Judge Charles L. Brieant issued a temporary restraining order granting injunctive and other equitable relief against MV Securities, Inc., a/k/a Multi-Vest Securities, Inc. (MVS); James R. Stephens (the firm's President); and Joseph A. Geraci, III (the firm's sales manager). MVS is a municipal securities dealer with offices in New York City.

In its complaint, the Commission alleges MVS, Stephens and Geraci violated, and aided and abetted violations of, the antifraud and recordkeeping provisions of the federal securities laws in connection with transactions in the bonds of the Washington Public Power Supply System (WPPSS) and Michigan State Hospital Finance Authority Martin Place and in zero-coupon bonds of certain other municipal issuers. The complaint also alleges violations of various rules promulgated by the Municipal Securities Rulemaking Board.

In the temporary restraining order the court also enjoined the alteration or destruction of documents and e-forts to intimidate witnesses, and ordered a freeze of the assets of the defendants. In its complaint for preliminary and permanent injunctions, the Commission also seeks the appointment of a special agent for the purpose of determining excessive mark-ups by the firm since July, 1982; and the disgorgement of profits obtained in connection with violative transactions. (SEC v. MV Securities, Inc., a/k/a Multi-Vest Securities, Inc., et al., U.S.D.C. S.D.N.Y., 84 Civ. 1164, CLB). (LR-10289)

COMPLAINT NAMES ASSOCIATED MEDICAL DEVICES, INC.

On February 14, the Commission filed a civil injunctive action in the U.S. District Court for the District of Columbia against Associated Medical Devices, Inc. (AMD) of Carlsbad, California. The Commission in its complaint alleges violations of the reporting provisions of the securities laws and seeks a judgment of permanent injunction and other equitable relief.

The Commission alleges that AMD, as part of a continuing course of violative conduct extending over several years, failed to file: its Annual Report on Form 10-K for its fiscal year ended May 31, 1983; its Quarterly Reports on Form 10-Q for its fiscal quarters ended November 30 and August 31, 1983; various periodic reports in a timely manner; and required Notifications of Late Filing on Form 12b-25. The Commission requests that the court order AMD to file its delinquent Annual Report and Quarterly Reports and enjoin AMD from further violations of the reporting provisions of the securities laws. (SEC v. Associated Medical Devices, Inc., D.C.C. Civil Action No. 84-0465) (LR-10290)

GULF RESOURCES, INC., OTHERS ENJOINED

The Commission announced that Judge Barefoot Sanders, U.S. District Court for the Northern District of Texas, signed final judgments of permanent injunction against: Gulf Resources, Inc. on December 28, 1983; Floyd D. Wallace on January 30, 1984; and Jerry D. Eutsler on January 31, 1984. In addition, Judge Sanders entered a preliminary injunction against Dean B. Wolzen on January 31, 1984. The court's orders permanently enjoin Gulf, Eutsler, and Wallace, and preliminarily enjoins Wolzen, from violations of the registration and antifraud provisions of the Securities Act of 1933 and the antifraud provisions of the Securities Exchange Act of 1934.

The orders require disgorgement from Eutsler and Wallace, including \$130,000 from Wallace, and the common stock of Gulf and the common stock and assets of certain other companies held by Eutsler. The Court's order with respect to Eutsler further prohibits Eutsler from becoming or acting as an officer, director, or control person of any public company, subject to future application to the Commission for permission to become associated with a public company in those capacities. Wolzen consented to a freeze of his assets pending final disposition of the action against him. Gulf, Wallace, Eutsler, and Wolzen consented to the entry of the foregoing orders without admitting or denying the allegations of the Commission's complaint. (SEC v. Gulf Resources, Inc., et al., Civil Action No. CA-3-83-1653H, N.D. TX.) (LR-10291)
