## RULES AND RELATED MATTERS

---

### AMENDMENTS TO RULE 15c2-11 ADOPTED

The Commission adopted amendments to Rule 15c2-11 (17 CFR 240.15c2-11) which regulates quotations for over-the-counter securities. The amendments: (a) extend the rule's information maintenance requirement to the publication of quotations without a specified price and quotations for certain foreign securities and American Depository Receipts; (b) create exceptions for NASDAQ securities and for quotations representing a customer's unsolicited indication of interest; (c) specify treatment under the rule of quotations for the securities of reporting companies; and (d) amend the scope of the rule's "piggyback" provision. The Commission intends to continue its review of the benefits and costs associated with the rule and shortly will seek public comment on these matters, including whether there are alternative formulations that also would achieve the rule's objectives. (Rel. 34-21470)

## CIVIL PROCEEDINGS

---

### MASON OIL COMPANY, INC., OTHERS ENJOINED

The Chicago Regional Office announced that on October 12 Judge Aldon Anderson, District of Utah, entered Final Judgments against Mason Oil Company, Inc., and its president and vice president, Craig Carpenter and George Jensen. The defendants consented to being permanently enjoined, without admitting or denying the complaint's allegations, from violating the registration provisions of the Securities Act. Additionally, Mason Oil consented to being permanently enjoined from violating antifraud provisions of the Securities and Exchange Acts.

The complaint alleged that: Mason Oil, Carpenter and Jensen violated registration provisions in a \$500,000 offering of Mason Oil stock in 1980 and 1981; and Carpenter and Jensen also violated registration provisions in a \$1 million offering of the stock of Exit, Inc., a Utah corporation, in 1981.

The antifraud portion of the injunction against Mason Oil was based on allegations that in 1981 Mason Oil distributed two false and misleading press releases, distributed false and misleading proxy solicitation materials and made untrue statements and omitted material facts in the sale of interests in two oil and gas limited partnerships, concerning, among other things, the use of funds and the ownership of certain interests in oil and gas wells. (SEC v. Mason Oil Company, et al., No. C83-1169A, D. Utah, filed October 17, 1983). (LR-10594)

## COMPLAINT NAMES MELINWORTH FINANCIAL SECURITIES, INC., OTHERS

The Los Angeles Regional Office filed a complaint on October 23 in the U.S. District Court for the Central District of California seeking to enjoin Melinworth Financial Securities, Inc., Wentworth Oil of California, Inc., Laban Donald Hock and Douglas Alan DiLaura from violating the registration and antifraud provisions of the securities laws, and also to enjoin Melinworth from violating the broker-dealer registration provisions of the Securities Exchange Act of 1934.

The complaint alleges that the defendants raised at least \$5 million in cash and \$2.6 million in recourse and promissory notes from more than 500 investors in 11 states by the fraudulent offer and sale of investment contracts and limited partnership interests in oil and gas programs. Additionally, the complaint alleges that the defendants: commingled investors' funds among various partnership bank accounts; used investors' funds for the personal benefit of the defendants; paid returns to investors from other investors' monies; misrepresented the existence of insurance which purported to guarantee returns to investors; and misrepresented the defendants' backgrounds and the compliance of their programs with state securities commissions and the SEC. (SEC v. Melinworth Financial Securities, Inc., et al., USDC CD CA, Civil Action No. 84-8194 WJR). (LR-10595)
