March 12, 1986

ADMINISTRATIVE PROCEEDINGS

BROKER-DEALER APPLICATION OF NEW CAPITAL PROPERTIES, FLORIDA, INC. DENIED

Administrative Law Judge Jerome K. Soffer issued an initial decision denying an application to become registered as a broker-dealer filed by New Capital Properties Florida, Inc., doing business as New Capital Properties, of Miami, Florida.

The denial was based upon the fact that Ira Sands, also of Miami, the principal officer and sole stockholder of New Capital, had been convicted in 1981 of mail and wire fraud in the U.S. District Court for the Southern District of New York and failed to state in the application that he had been disbarred from the practice of law in New York, and New Capital misrepresented the sentence imposed upon Sands as a result of his conviction.

DEAN S. MEYERS CITED

The New York Regional Office announced that in administrative proceedings ordered under the Securities Exchange Act of 1934, Dean S. Meyers, president, treasurer and 25-50% shareholder of D.S. Meyers & Co., Inc. (Registrant), a registered broker-dealer which had its principal place of business in New York City, submitted an Offer of Settlement which the Commission accepted.

Meyers, without admitting or denying the allegations, consented to the Findings and Order Imposing Remedial Sanctions which finds that he wilfully violated antifraud provisions of the Exchange Act and that he wilfully aided and abetted Registrant's violations of antifraud, net capital, bookkeeping, recordkeeping, financial reporting and supplemental reporting provisions of the Exchange Act and rules thereunder.

Meyers was barred from association in any capacity with any broker, dealer, investment company, investment adviser or municipal securities dealer, provided that he can reapply to become associated with any of those entities in any non-proprietary or non-supervisory capacity after three and one-half years and in any capacity after seven years. (Rel. 34-22958)

CIVIL PROCEEDINGS

OIL AND GAS PROMOTERS, BROKER-DEALER ENJOINED

The Houston Branch Office announced that on March 4 Judge Eldon B. Mahon, U.S. District Court for the Northern District of Texas, entered orders of permanent injunction against Uni-Petro Exploration Corporation, Uni-Petro Securities Corporation, formerly a registered broker-dealer, and their president, George A. McLendon, all of Hurst, Texas, permanently enjoining them from further violations of the registration and antifraud provisions of the securities laws. The defendants consented to the orders without admitting or denying the allegations in the Commission's complaint.

The March 4 complaint alleges that from April 1984 to August 1985, the defendants raised at least \$2 million through the offer and sale of unregistered securities in the form of fractional undivided interests in oil and gas lease prospects. These securities were sold to approximately 130 investors residing in 15 states through a nationwide boiler room operation. The complaint further alleges that the defendants made material misrepresentations in the offer and sale of these securities concerning, among other things, the financial risks associated with oil and gas investments and the profits and future returns which investors could expect. (SEC v. Uni-Petro Exploration Corporation, et al., Civil Action No. 4 86 190 E, NDTX). (LR-11020)

The Houston Branch Office announced that on March 4 Judge Eldon B. Mahon, U.S. District Court for the Northern District of Texas, entered orders of permanent injunction against Sigmundr Exploration Corporation, Sigmundr Securities Corporation, a registered broker-dealer, and their president, George J. Davis, all of Bedford, Texas; and International America Minerals, Inc., and its president, Alfred E. Bremers, both of Mineral Wells, Texas; permanently enjoining them from further violations of the registration and antifraud provisions of the securities laws. The defendants consented to the orders without admitting or denying the allegations in the Commission's complaint.

The March 4 complaint alleges that from November 1983 to at least September 1985, the defendants raised at least \$12.7 million through the offer and sale of unregistered securities in the form of fractional undivided interests in at least 26 oil and gas lease prospects. These securities were sold to approximately 500 investors residing in 30 states through a nationwide boiler room operation. The complaint further alleges that the defendants made material misrepresentations in the offer and sale of these securities concerning, among other things, the potential profits and future returns which investors could expect. (SEC v. Sigmundr Exploration Corporation, et al., Civil Action No. 4 86 189 E, NDTX). (LR-11021)
