#### ADMINISTRATIVE PROCEEDINGS

COMBELLICK, REYNOLDS & RUSSELL, INC., RICHARD ANGELL AND RAYMOND RUSSELL, JR., SANCTIONED

Administrative Law Judge Jerome K. Soffer has issued an initial decision denying the accounting firm of Combellick, Reynolds & Russell, Inc., and Richard D. Angell and Raymond R. Russell, Jr. of Englewood, Colorado, two of the firm's principals, the privilege of appearing or practicing before the Commission in any way or from accepting or undertaking any new professional engagement which can be expected to result in filings, submissions or certifications with the Commission for a period of three months.

The sanctions imposed were based upon findings that the respondents named had engaged in improper professional conduct arising out of audits performed by them of the 1983, 1984 and 1985 financial statements of George Risk Industries, Inc., a Colorado corporation. This conduct resulted in the issuance of unqualified audit reports on statements which were incorrect for significantly and improperly recording income from a research and development program offered to investors as a tax shelter. (Initial Decision Rel. No. 21)

#### HOLDING COMPANY ACT RELEASES

ENERGY INITIATIVES, INC.

An order has been issued authorizing Energy Initiatives, Inc. (EII), a wholly owned nonutility subsidiary company of General Public Utilities Corporation, a registered holding company, to enter into an option to acquire, directly or indirectly through a wholly-owned subsidiary to be formed, the interests of two Delaware limited partnerships (Partnerships). The Partnerships own a 20% limited partnership interest in two Qualifying Cogeneration Facilities, as defined in the Public Utility Regulatory Policies Act of 1978, and regulations thereunder. Jurisdiction has been reserved over the exercise of the option to acquire the interests of the Partnerships, pending completion of the record. (Rel. 35-25335)
