

e-Market Express

www.buyusa.gov/eme

Access to Qualified Trade Leads Delivered to your Email at No Cost !

Through the e-Market Express, U.S. firms can electronically submit requests for market research that our U.S. Commercial Service overseas staff have created. Simply, choose the reports of interest to you and fill in your contact information. You will be sent the weblinks to the reports you are interested in via email.

e-Market Express is available in the following Industries and Regions

- Aerospace & Defense
- Agribusiness
- Automotive
- Cosmetics & Toiletries
- Energy
- Environmental
- Franchising
- Health Care
- Information & Communication
- Safety & Security
- Textile & Apparel
- Travel & Tourism
- Africa – West
- Africa – East
- Africa – South
- Asia
- Americas
- Europe

There is no fee to receive these reports. The only requirement is that your product or service be at least 51% US content.

e-Market Express www.buyusa.gov/eme

Electronically delivered to you each week:

- Trade Leads
- Market Reports
- Business Opportunities
- Best Market Reports
- Trade Events
- Export Compliance
- Events and Resources
- Video Webinar Library

e-Market Express was created at the request of U.S. companies for up-to-date monthly notifications of new market research, trade leads & events that we in the U.S. Department of Commerce receive from our colleagues in U.S. Embassies and Consulates around the world.
