The National Trust/ACHP Award for Federal Partnerships in Historic Preservation

This National Trust/Advisory Council on Historic Preservation (ACHP) award honors outstanding partnerships that advance the preservation of important historic resources. It celebrates a project or program in which a federal agency and one or more non-federal partners have achieved an exemplary preservation outcome.

In addition to the general evaluation criteria outlined under the National Preservation Honor Awards category, the following criteria will also be applied for the National Trust/ACHP Award nominees:

- ✧ Extent to which the completed project or established program demonstrates an exemplary federal role and a sustained federal/non-federal partnership;
- ✧ Preservation of a significant historic resource through a creative team approach;
- ✧ Demonstrated commitment to furthering a federal preservation ethic.

Nominations should specify the federal agency and non-federal partners contributing to the success of the project or program. A jury of preservation professionals from the National Trust and the ACHP will review the nominations.

If you have questions or need additional information, please call the ACHP at (202) 606-1385 or the National Trust Awards Coordinator at (202) 588-6236.
