**Alternate Federal Pell Grant Schedules for Students with Low Assessed Tuition for the 2007-08 Award Year**

The following alternate schedules must be used to calculate Federal Pell Grant amounts in very specific situations involving students with low tuition charges. Use the appropriate schedule below, based on the student's enrollment status, only if **ALL** the following are true; otherwise use the regular payment and disbursement schedules:

- The student's tuition plus any dependent care or disability related expenses is **less than \$805**; **AND**
- The student's Expected Family Contribution (EFC) is **800 or less**; **AND**
- The student's total cost of attendance is **\$3,500 or higher**.

**\$4,310 Maximum**

**Important:** When calculating the amount of tuition, schools that only charged fees in lieu of tuition as of October 1, 1998 may consider such fees as tuition for purposes of these tables.
