Competitiveness Demonstration Program: Set-Aside Authority for Fiscal Year (FY) 2009

The set-aside policy for the Small Business Competitiveness Demonstration Program for FY 2009 supersedes all previous set-aside policies for this program. This policy covers the period from October 1, 2008, through September 30, 2009, unless superseded by a memorandum from the Department of Agriculture (USDA), Office of Small and Disadvantaged Business Utilization (OSDBU).

DESIGNATED INDUSTRY GROUPS (DIG's)

Set-Asides for Small Business Concerns

Small business set-asides are required for the North American Industry Classification System (NAICS) Codes and Product/Service Codes (PSC) under the Competitiveness Demonstration Program as listed in Attachment 1. Acquisition of the listed Designated Industry Groups that require a set-aside for the Agricultural Research Service shall be conducted under the small business set-aside authority.

Set-Aside Priority for 8(a), HUBZone, SDVOSB and Emerging Small Businesses (ESB)

The 8 (a), Historically Underutilized Business Zone (HUBZone) and Service-Disabled Veteran-Owned Small Business (SDVOSB) concerns shall have priority in the awarding of all contracts under the Competitiveness Demonstration Program. All procurements under the ESB reserve threshold shall be set-aside for competition by ESB concerns for architect-engineering services (\$50,000 and below) and all others (\$30,000 and below).

TARGETED INDUSTRY CATEGORIES (TIC's)

All acquisitions of products in the TIC's are required to be set-aside for exclusive participation by small business concerns. TIC's are listed in Attachment 1. All TIC procurements, regardless of dollar value, shall continue to be considered for Small Business, 8(a), HUBZone, and SDVOSB set-asides.

We must notify the USDA-OSDBU if a TIC requirement will not be set-aside for small business concerns. A copy of the solicitation and justification for not setting-aside the requirement must be forwarded to the Research, Education, and Economics (REE), OSDBU Coordinator, for review prior to being submitted to the Department.

Questions regarding this issuance should be directed to Jeannette Gibbs, REE OSDBU Coordinator, at 301-504-1116 or via e-mail jeannette.gibbs@ars.usda.gov.
