

**CDC SPANISH LANGUAGE EARLY HEARING DETECTION AND INTERVENTION  
(: 30) SECOND RADIO PUBLIC SERVICE ANNOUNCEMENT**

**TAGGABLE VERSION**

SPANISH SCRIPT

Sound bite: baby cooing and babbling.

**Narrador:**

Narrador: Si su bebé no pasó la prueba de audición, no espere para buscar ayuda. Solo una persona capacitada para examinar la audición, podrá confirmar si el bebé tiene o no una pérdida auditiva.

Para más información llame gratis al 1-800-232-4636.

**CDC SPANISH LANGUAGE EARLY HEARING DETECTION AND INTERVENTION  
(: 30) SECOND RADIO PUBLIC SERVICE ANNOUNCEMENT**

**TAGGABLE VERSION**

ENGLISH TRANSLATION

Sound bite: baby cooing and babbling.

Narrator: Please don't wait if your newborn didn't pass the hearing screening. Only someone trained to test the baby's hearing can confirm whether your baby has hearing loss. To find out more, call free 1-800-CDC-INFO (that's 1-800-232-4636).

Brought to you as a public service announcement by the U.S Department of Health and Human Services.
