Re: Petition for Reconsideration of the Dismissal of Application Assigning Licenses from Longview Fibre Paper and Packaging, Inc. to Longview Timber, File No. 0003075386.

Dear Messrs. Campbell, Miner, and Schlenker:

On July 16, 2007, Wireless Connections, dba Radio Licensing Services (“Wireless Connections”) filed a petition seeking reconsideration (“Petition for Reconsideration”)¹ of the June 29, 2007 dismissal² of the application (“Application”) assigning licenses from Longview Fibre Paper and Packaging, Inc. to Longview Timber.³ The Application was dismissed for insufficient payment of the required filing fees.⁴ In its Petition for Reconsideration, Wireless Connections states that the incorrect payment of the required filing fees sent to Mellon Bank on June 21, 2007 was a result of a typographical error and that the applicants were willing to submit the additional funds owed to the Commission.⁵ Subsequent to the filing of the Petition for Reconsideration, Mr. Campbell corresponded with Commission Staff in the Office of the Managing Director regarding the submission of additional funds to cover the underpayment. Commission Staff has been unable to confirm that an additional payment was received by Mellon Bank

⁵ Petition for Reconsideration at 1.

for an amount covering the difference between the payment sent to the Commission on June 21, 2007 and the amount of the required filing fees.
