**April 14, 2009**

**PUBLIC SAFETY AND HOMELAND SECURITY BUREAU ANNOUNCES  
REGION 42 (VIRGINIA) PUBLIC SAFETY REGIONAL PLANNING COMMITTEES  
TO HOLD 700 MHZ REGIONAL PUBLIC SAFETY PLANNING AND 800 MHZ NPSPAC  
REGIONAL PUBLIC SAFETY PLANNING MEETINGS**

**PR Docket No. 91-199**

The Region 42 (Virginia)<sup>1</sup> Public Safety Regional Planning Committee (RPC) will hold its next meetings on Wednesday, May 6, 2009. Beginning at 1:00 p.m., the 800 MHz Public Safety Regional Planning Committee will convene at the Sheraton Virginia Beach Oceanfront Hotel, 3501 Atlantic Avenue, Virginia Beach, Virginia. Beginning at 2:00 p.m., the 700 MHz Public Safety Regional Planning Committee will convene at the same location. The purpose of the meetings is to discuss 800 MHz Region 42 planning, and to approve the 700 MHz Region 42 plan for submission to adjacent regions and the FCC.

Both of the Region 42 Public Safety RPC meetings are open to the public. It is essential that public safety agencies in all areas of government, including state, municipality, county, and Native American Tribal, and non-governmental organizations eligible under Section 90.20 of the Commission's rules, 47 C.F.R. § 90.20, be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate, and represent their agency's needs.

All interested parties wishing to participate in the planning for the use of public safety spectrum in the 700 MHz and 800 MHz bands within Region 42 should plan to attend. For further information, please contact:

Robert A. DeLauney, Chairman  
Region 42 700 MHz Public Safety Regional Planning Committee  
City of Virginia Beach-ComIT  
2508 Princess Anne Road, Building 30  
Virginia Beach, Virginia 23456  
(757) 383-4066
