Approximately 6 miles of trail are maintained in the park for public horseback riding. The trail is open for day use only, from April 15 through January 31. It is closed in the winter for visitor safety and to help preserve the trail surface.

### Accessing and Using the Horse Trail

Access to the trail starts at the horse trailer parking area directly across from the entrance to Camp Greentop. (See map and directions on reverse.) The parking area will hold up to 5 truck and trailer units parked around the outside of the circle. The trail is marked at several points with wood posts bearing a horseshoe brand. The 36" wide trail has a surface tread ranging from soft soil to course stone.

It is strongly recommended that all horses be shod prior to riding the trail. To ensure the health and safety of all horses using the trail, we recommend that all visiting riders have a copy of their animal's current negative Coggins test with them when entering the park.

Organized groups interested in using the public horse trail for group events need to obtain a special event permit.
