On March 2, 1967, the Committee on the Judiciary of the House of Representatives reported favorably the copyright revision bill, H.R. 2512. This bill is substantially identical with the previous revision bill (H.R. 4347) as amended by the Committee during the 89th Congress. At the same time, the Committee filed a complete report on H.R. 2512. This report is derived largely from the report on H.R. 4347, House Report No. 2237, issued in 1966.

Copies of the new report, entitled Copyright Law Revision, Report of the House Committee on the Judiciary, 90th Congress, 1st Session, House Report No. 83, may be obtained from the Superintendent of Documents, U. S. Government Printing Office, Washington, D. C. 20402, for \$0.60 a copy.
