1 Standard hours reflect the workweek for which employees receive their regular straight-time salaries (exclusive of pay for overtime at regular and/or premium rates), and the earnings correspond to these weekly hours.

2 Excludes premium pay for overtime and for work on weekends, holidays, and late shifts. Also excluded are performance bonuses and lump-sum payments of the type negotiated in the auto and aerospace industries, as well as profit-sharing payments, attendance bonuses, Christmas or year-end bonuses, and other nonproduction bonuses. Pay increases, but not bonuses, under cost-of-living clauses, and incentive payments, however, are included. See Scope and Method of Survey for definitions and methods used to compute means, medians, and middle ranges.

3 All workers were at \$900 and under \$950.

4 Workers were distributed as follows: 19 percent at \$900 and under \$950; and 3 percent at \$1,000 and under \$1,050.

Table 2. Hourly earnings of maintenance, toolroom, material movement, and custodial occupations, Savannah, GA, March 1994
