The hearing in this matter was held from October 27 through December 12, 2003, when the hearing and record were closed. The Office of the Secretary of the Securities and Exchange Commission, pursuant to 17 C.F.R § 201.351(b), prepared a record index and served a copy of it on all parties on July 19, 2004. Proposed corrections to the record index were timely filed, pursuant to 17 C.F.R § 201.351(b), by the Division of Enforcement (Division); Respondent Glenn Wilkinson (Wilkinson); and the Division and Respondents IFG Network Securities, Inc. (IFG), David Ledbetter (Ledbetter), William Kissinger (Kissinger), and Bert Miller (Miller), jointly.

The Division proposes to correct the record index by adding the transcript of the October 22, 2003, prehearing conference. The record index will be so corrected.

Wilkinson proposes to correct the record index to reflect the correct filing date of sixteen pleadings filed by Wilkinson, as follows:

Findings of Fact and Conclusions of Law – 03/17/04

The record index will be so corrected.

Wilkinson also proposes that the descriptions of three Wilkinson exhibits be expanded by adding dates as follows: W-141 – 1-10-00; W-213 – 5-23-00; and W-387 – 5-3-99. The record index will be so corrected.

The Division, IFG, Ledbetter, Kissinger, and Miller jointly propose to correct the record index by adding Exhibits K-8.1 and K-71.1. The record index will be so corrected. They propose to reference Exhibit IFG-213C (1999 Financial Analysts Journal article "Mutual Fund Share Classes and Broker Incentives" by Edward S. O'Neal) as IFG-214. The record index will not be so corrected. The referenced exhibit was admitted as IFG-213C on December 12, 2003 (Tr. 4599).

IT IS SO ORDERED.
