

The FCC is seeking public input on a clarification petition filed by Communication Service for the Deaf concerning the provision of American Sign Language-to-Spanish video relay service. The petition asks the Commission to clarify that the providers of ASL-to-Spanish VRS are not required to offer the service 24 hours per day, 7 days per week to be eligible for compensation from the Interstate Telecommunications Relay Service Fund. Comments will be due 30 days after a public notice is published in the Federal Register, while reply comments will be accepted until 45 days after the publication date.
