RIN 1105-AB17

Application Procedures and Criteria for Approval of Nonprofit Budget and Credit Counseling Agencies by United States Trustees

AGENCY: Executive Office for United States Trustees ("EOUST"), Justice.

ACTION: Notice of proposed rulemaking.

SUMMARY: This notice of proposed rulemaking ("rule") sets forth proposed procedures and criteria United States Trustees shall use when determining whether applicants seeking to become and remain approved nonprofit budget and credit counseling agencies satisfy all prerequisites of the United States Code, as implemented under this rule. Under current law every individual debtor shall have received adequate counseling from an approved nonprofit budget and credit counseling agency within 180 days before the date of filing for bankruptcy relief. The current law enumerates mandatory prerequisites and minimum standards applicants seeking to become approved nonprofit budget and credit counseling agencies must meet. Under this rule, United

States Trustees will approve applicants for inclusion on publicly available agency lists in one or more federal judicial districts, if an applicant establishes it meets all the requirements of the United States Code, as implemented under this rule. After obtaining such an approval, a nonprofit budget and credit counseling agency shall be authorized to provide credit counseling in a federal judicial district during the time the agency remains approved.

DATES: Submit comments on or before April 1, 2008.

ADDRESSES: Comments on the rule may be submitted via www.regulations.gov, by telefax to (202) 305-8536, or by postal mail to Executive Office for United States Trustees ("EOUST"), 20 Massachusetts Ave., NW., 8th Floor, Washington, DC 20530. Discussion of Rule

This rule implements those sections of Public Law No. 109-8, 119 Stat. 23, 37, 38 (April 20, 2005) codified at 11 U.S.C. 109(h)(1) and 111. Effective October 17, 2005, an individual may not be a debtor under title 11 of the United States Code unless during the 180-day period preceding the date of filing a bankruptcy petition, the individual receives adequate counseling from an approved nonprofit budget and credit counseling agency. 11 U.S.C. 109(h)(1) and 111. See also H.R. Rep. 109-31, pt. 1 at 2 (the Bankruptcy Code "requires debtors to receive credit counseling before they can be eligible for bankruptcy relief so that they will make an informed choice about bankruptcy, its alternatives, and consequences").

Section 111(b) of title 11, United States Code, governs the approval by United States Trustees of nonprofit budget and credit counseling agencies for inclusion under 11 U.S.C. 111(a)(1) on publicly available agency lists in one or more United States district courts. Section 111 of title 11 provides that, in applicable jurisdictions, a United States Trustee may approve an application to become an approved nonprofit budget and credit counseling agency only after the United States Trustee has thoroughly reviewed the applicant's (a) qualifications, and (b) services. 11 U.S.C. 111(b)(1). A United States Trustee has statutory authority to require an applicant to provide information with respect to such review. 11 U.S.C. 111(b)(1).

After completing that thorough review, a United States Trustee may approve a nonprofit budget and credit counseling agency only if the agency establishes that it fully satisfies all requisite standards. 11 U.S.C. 111(b). Among other things, an applicant must establish it will (a) provide qualified counselors, (b) maintain adequate provision for safekeeping and payment of client funds, (c) provide adequate counseling with respect to client credit problems, and (d) deal responsibly and effectively with other matters relating to the quality, effectiveness, and financial

security of the services it provides. 11 U.S.C. 111(c)(1).

This proposed rule will implement those statutory requirements. By accomplishing that, the rule will help debtors obtain adequate counseling from competent credit counseling agencies, and help safeguard their funds. It also will provide an appropriate mechanism by which entities can apply for approval under section 111 of title 11 to become nonprofit budget and credit counseling agencies, and will enable such applicants to attempt to meet their burden of establishing they should be approved by United States Trustees under 11 U.S.C. 111.

This rule, once final, will supersede the provisions that address credit counseling agencies in EOUST's Interim Final Rule published on July 5, 2006 (71 FR 38076) entitled *Application Procedures and Criteria for Approval of Nonprofit Budget and Credit Counseling Agencies and Approval of Providers of a Personal Financial Management Instructional Course by United States Trustees* ("Interim Final Rule"). The credit counseling provisions are currently codified at 28 CFR 58.15, 58.16, and 58.17. Due to the necessity of quickly establishing a regulation to govern the credit counseling application process, EOUST promulgated the Interim Final Rule rather than a notice of proposed rulemaking. Based upon experience administering the Interim Final Rule, and upon consideration of comments received regarding the Interim Final Rule, EOUST promulgates this rule as a notice of proposed rulemaking in an effort to maximize public input. EOUST will respond to the comments to the Interim Final Rule and this rule when it publishes the final rule. EOUST will also publish another notice of proposed rulemaking that addresses providers of a financial management instructional course with a RIN number of 1105-AB31.

In an effort to make information more accessible and understandable, several changes to the Interim Final Rule are proposed in this rule, along with other changes to enhance consumer protections. Some of the more significant changes include the following: (1) Adding identification procedures for clients when accessing Internet or telephone counseling sessions; (2) establishing a limit for credit counseling fees to be presumed reasonable; (3) preserving clients' rights under 11 U.S.C. 502(k); (4) requiring agencies to provide additional counseling at no extra cost to clients when a debt repayment plan has been completed or terminated so that clients may file bankruptcy if they so choose;

(5) providing guidance on agencies' responsibilities to individuals with limited English proficiency; and (6) requiring appropriate disclosures be made before providing services to clients, such as an agency's fee policy and the prohibition from receiving referral fees.

Executive Order 12866

This rule has been drafted and reviewed in accordance with Executive Order 12866, "Regulatory Planning and Review" section 1(b), The Principles of Regulation. The Department has determined that this rule is a "significant regulatory action" and, accordingly, this rule has been reviewed by the Office of Management and Budget ("OMB").

The Department has also assessed both the costs and benefits of this rule as required by section 1(b)(6) and has made a reasoned determination that the benefits of this regulation justify its costs. The costs considered in this regulation include the required costs for the submission of an application. Costs considered also include the cost of establishing and maintaining the approved list in each federal judicial district. In an effort to minimize the burden on applicants, the application keeps the number of items on the application to a minimum.

The costs to an applicant will be minimal. The anticipated costs are the photocopying and mailing of the requested records, along with the salaries of the employees who complete the applications. Based upon the available information, experience with the credit counseling industry, and informal communications with credit counseling agencies, it is anticipated that this cost should equal approximately \$500 per application for agencies. This cost is not new; it is the same cost that credit counseling agencies incurred when applying under the Interim Final Rule. Public comments regarding the cost to applicants in completing the application are requested.

Applicants that offer debt repayment plans must also obtain a surety bond in the amount of 2% of the agency's disbursements made during the previous 12 months from all trust accounts attributable to the federal judicial districts (or, if not feasible to determine, the states) in which the agency seeks approval from the United States Trustee or equal to the average daily balance maintained for the 6 months immediately prior to submission of the application in all trust accounts attributable to the federal judicial districts (or, if not feasible to

determine, the states) in which the agency seeks approval from the United States Trustee. In addition, credit counseling agencies that offer debt repayment plans must obtain employee fidelity insurance in a face amount equal to 50% of the surety bond. Credit counseling agencies are entitled to receive a credit for any state bond or employee fidelity insurance already obtained.

Although applicants may charge a fee for providing the credit counseling services in accordance with this rule, agencies must provide credit counseling without regard to a client's ability to pay the fee. Based upon the available information, current practice of many credit counseling agencies, experience with the credit counseling industry, and informal communications with credit counseling agencies, \$50 is presumed to be a reasonable fee for credit counseling. The United States Government Accountability Office, after conducting a study on credit counseling, found that \$50 was the typical rate charged by credit counseling agencies and that industry observers and consumer advocates considered this amount to be reasonable. Public comments as to the reasonableness of \$50 for credit counseling are requested.

The amount presumed to be reasonable for credit counseling fees will be reviewed periodically, but not less than every four years, and the amount presumed to be reasonable will be published by notice in the **Federal Register** and identified on EOUST's Web site. In addition, all applicants must waive the fee if the client demonstrates a lack of ability to pay the fee, which shall be presumed if the client's household current income is less than 150% of the income of the official poverty line as identified by the United States Department of Health and Human Services applicable to a household of the same size.

The number of applicants that will ultimately apply is unknown, although EOUST believes that approximately 300 may ultimately apply to be approved credit counseling agencies. Currently, there are approximately 160 approved agencies. The annual hour burden on agencies is estimated to be 10 hours. This estimate is based on consultations with individuals in the credit counseling industry, and experience with applicants who completed the initial applications. Public comments regarding the annual hour burden on credit counseling agencies in completing the application are requested.

The EOUST consulted with the Federal Trade Commission ("FTC") and

with the Internal Revenue Service ("IRS") in drafting this rule and the EOUST does not believe the rule has an adverse effect upon either agency.

The benefits of this rule include the development of standards that increase consumer protections, such as a limit on the presumption of reasonable fees, requirement that agencies provide adequate disclosures concerning agencies' policies, and the preservation of clients' rights under section 502(k). This rule also provides for greater supervision by the United States Trustee to ensure agencies employ proper procedures to safeguard client funds. These benefits justify its costs in complying with Congress' mandate that a list of approved agencies be established. Public Law No. 109-8, § 106(e)(1).

Executive Order 13132

This rule will not have a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. Therefore, in accordance with Executive Order 13132, it is determined that this rule does not have sufficient federalism implications to warrant the preparation of a Federalism Assessment.

Paperwork Reduction Act

The information collection requirements contained in this rule have been approved by OMB in accordance with the Paperwork Reduction Act of 1995, 44 U.S.C. 3501 to 3520, and assigned OMB control number 1105-0084 for form EOUST-CC1, the "*Application for Approval as a Nonprofit Budget and Credit Counseling Agency.*" The Department notes that full notice and comment opportunities were provided to the general public through the Paperwork Reduction Act process, and that the applications and associated requirements were modified to take into account the concerns of those who commented in this process.

Regulatory Flexibility Act

In accordance with the Regulatory Flexibility Act (5 U.S.C. 605(b)), the Director has reviewed this rule and by approving it certifies that it will not have a significant economic impact on a substantial number of small entities. This certification is based upon experience in administering the Interim Final Rule where the surety bond and insurance requirements are less than 1% of gross revenue and also less than 1% of total expenditures for the large

majority of credit counseling agencies considered to be small businesses.

Unfunded Mandates Reform Act of 1995

This rule does not require the preparation of an assessment statement in accordance with the Unfunded Mandates Reform Act of 1995, 2 U.S.C. 1531. This rule does not include a federal mandate that may result in the annual expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of more than the annual threshold established by the Act (\$100 million). Therefore, no actions were deemed necessary under the provisions of the Unfunded Mandates Reform Act of 1995.

Small Business Regulatory Enforcement Fairness Act of 1996

This rule is not a major rule as defined by section 804 of the Small Business Regulatory Enforcement Fairness Act of 1996, 5 U.S.C. 801 *et seq.* This rule will not result in an annual effect on the economy of \$100 million or more; a major increase in costs or prices; or significant adverse effects on competition, employment, investment, productivity, and innovation; or on the ability of United States-based companies to compete with foreign-based companies in domestic and export markets.

Privacy Act Statement

Section 111 of title 11, United States Code, authorizes the collection of this information. The primary use of this information is by the United States Trustee to approve nonprofit budget and credit counseling agencies. The United States Trustee will not share this information with any other entity unless authorized under the Privacy Act, 5 U.S.C. 552a *et seq.* EOUST has published a System of Records Notice that delineates the routine use exceptions authorizing disclosure of information. 71 FR 59818, 59827 (Oct. 11, 2006), JUSTICE/UST-005, Credit Counseling and Debtor Education Files and Associated Records.

Public Law 104-134 (April 26, 1996) requires that any person doing business with the federal government furnish a Social Security Number or Tax Identification Number. This is an amendment to section 7701 of title 31, United States Code. Furnishing the Social Security Number, as well as other data, is voluntary, but failure to do so may delay or prevent action on the application.

(a) The United States Trustee shall remove an approved agency from the approved list whenever an approved agency requests its removal in writing.

(b) The United States Trustee may issue a decision to remove an approved agency from the approved list, and thereby terminate the approved agency's authorization to provide counseling services, at any time.

(c) The United States Trustee may issue a decision to deny an agency's application or remove an agency from the approved list whenever the United States Trustee determines that the agency has failed to comply with the standards or requirements specified in 11 U.S.C. § 109(h) or 111, this rule, or the terms under which the United States Trustee designated it to act as an approved agency, including but not limited to finding any of the following:

(1) The agency is not employing adequate procedures for safekeeping or paying client funds, which results in a loss to a client;

(2) The agency's surety bond has been canceled;

(3) Any entity has revoked the agency's nonprofit status, even if that revocation is subject to further administrative or judicial litigation, review or appeal;

(4) Any entity has suspended or revoked the agency's license to do business in any jurisdiction; or

(5) Any United States district court has removed the agency under 11 U.S.C. 111(e).

(d) If the Internal Revenue Service revokes an agency's tax exempt status, the United States Trustee shall promptly commence an investigation to determine whether any of the factors set forth in paragraphs (c)(1) through (5) of this section exist.

(e) The United States Trustee shall provide to the agency in writing a notice of any decision either to:

(1) Deny the agency's application; or

(2) Remove the agency from the approved list.

(f) The notice shall state the reason(s) for the decision and shall reference any documents or communications relied upon in reaching the denial or removal decision. To the extent authorized by law, the United States Trustee shall provide to the agency copies of any such documents that were not supplied to the United States Trustee by the agency. The notice shall be sent to the agency by overnight courier, for delivery the next business day.

(g) Except as provided in paragraph (i) of this section, the notice shall advise the agency that the denial or removal decision shall become final agency action, and unreviewable, unless the agency submits in writing a request for review by the Director no later than 20 calendar days from the date of the notice to the agency.

(h) Except as provided in paragraph (i) of this section, the decision to deny an agency's application or remove an agency from the approved list shall take effect upon:

(1) The expiration of the agency's time to seek review from the Director, if the agency fails to timely seek review of a denial or removal decision; or

(2) The issuance by the Director of a final written decision, if the agency timely seeks such review.

(i) The United States Trustee may provide that a decision to remove an agency from the approved list is effective immediately and deny the agency the right to provide counseling services whenever the United States Trustee finds any of the factors set forth in paragraphs (c)(1) through (5) of this section.

(j) An agency's request for review shall be in writing and shall fully describe why the agency disagrees with the denial or removal decision, and shall be accompanied by all documents and materials the agency wants the Director to consider in reviewing the denial or removal decision. The agency shall send the original and one copy of the request for review, including all accompanying documents and

materials, to the Office of the Director by overnight courier, for delivery the next business day. In order to be timely, a request for review shall be received at the Office of the Director no later than 20 calendar days from the date of the notice to the agency.

(k) The United States Trustee shall have 30 calendar days from the date of the agency's request for review to submit to the Director a written response regarding the matters raised in the agency's request for review. The United States Trustee shall provide a copy of this response to the agency by overnight courier, for delivery the next business day.

(l) The Director may seek additional information from any party in the manner and to the extent the Director deems appropriate.

(m) In reviewing the decision to deny an agency's application or remove an agency from the approved list, the Director shall determine:

(1) Whether the denial or removal decision is supported by the record; and
(2) Whether the denial or removal decision constitutes an appropriate exercise of discretion.

(n) Except as provided in paragraph (o) of this section, the Director shall issue a written final decision no later than 60 calendar days from the receipt of the agency's request for review, unless the agency agrees to a longer period of time or the Director extends the deadline. The Director's final decision on the agency's request for review shall constitute final agency action.

(o) Whenever the United States Trustee provides under paragraph (i) of this section that a decision to remove an agency from the approved list is effective immediately, the Director shall issue a written decision no later than 15 calendar days from the receipt of the agency's request for review, unless the agency agrees to a longer period of time, which decision shall:

(1) Be limited to deciding whether the determination that the removal decision should take effect immediately was supported by the record and an appropriate exercise of discretion;

(2) Constitute final agency action only on the issue of whether the removal decision should take effect immediately; and

(3) Not constitute final agency action on the ultimate issue of whether the agency should be removed from the approved list; after issuing the decision, the Director shall issue a written final decision by the deadline set forth in paragraph (n) of this section.

(p) In reaching a decision under paragraphs (n) and (o) of this section,

the Director may specify a person to act as a reviewing official. The reviewing official's duties shall be specified by the Director on a case-by-case basis, and may include reviewing the record, obtaining additional information from the participants, providing the Director with written recommendations, and such other duties as the Director shall prescribe in a particular case.

(q) An agency that files a request for review shall bear its own costs and expenses, including counsel fees.

(r) When a decision to remove an agency from the approved list takes effect, the agency shall:

(1) Immediately cease providing counseling services to clients and shall not agree to provide counseling services to prospective clients;

(2) No later than 3 business days after the date of removal, issue all certificates to all clients who completed counseling services prior to the agency's removal from the approved list; and

(3) No later than 3 business days after the date of removal, return all fees to clients and prospective clients who had paid for counseling services, but had not completely received them.

(s) An agency must exhaust all administrative remedies before seeking redress in any court of competent jurisdiction.

Bonus or Royalty Credits for Relinquishing Certain Leases Offshore Florida

AGENCY: Minerals Management Service (MMS), Interior.

ACTION: Proposed rule.

SUMMARY: The MMS proposes to amend its regulations for oil and gas leases on the Outer Continental Shelf to implement a mandate in the Gulf of Mexico Energy Security Act of 2006. This proposed rule would (1) provide a credit to lessees who relinquish certain eligible leases in the Gulf of Mexico; (2) define eligible leases as those within 125 miles of the Florida coast in the

Eastern Planning Area and certain leases within 100 miles of the Florida coast in the Central Planning Area; and (3) allow lessees to use the credits in lieu of monetary payment for either a lease bonus bid or royalty due on oil and gas production from most other leases in the Gulf of Mexico or to transfer the credits to other Gulf of Mexico lessees for their use.
