

# Mississippi National River and Recreation Area

## Mississippi River Trail Guide

### Map 2: Northern Metro

See Map 3: Above the Falls

- 1** A sidewalk runs along the north side of the I-694 bridge. On the west side of the river the path follows I-694 away from the river before curving back and through a cul-de-sac. Continue through the cul-de-sac back towards the river, under I-694 and into River Ridge Park.
- 2** On the west bank there is a gap in the trail just north of I-694. Use Willow Lane and 66th Avenue to connect trail segments.
- 3** To visit River Park, take 81st Avenue North or 83rd Avenue North.
- 4** There is a gap in the paved trail between Coon Rapids Dam Regional Park and Riverview Heights Park. Follow Mississippi Boulevard, Broad Avenue, Kimball Street, and Riverview Terrace to connect trails on either side of this break.
- 5** There is a gap between Riverview Heights Park and Manomin County Park. Use Bellair Way and Alden Way to bridge this gap.
- 6** Access to the Mississippi Regional and Rice Creek Regional trail systems from Manomin County Park is along Rice Creek Way (one block south of the park).
