

## National Top 50 Partner List (as of October 8, 2008)

The following is a list of the Top 50 Partners in the Green Power Partnership whose annual green power purchase is the largest nationwide. Their actions are helping drive the development of new renewable energy sources for electricity generation. Combined, these top 50 largest purchases amount to more than 11.9 billion kilowatt-hours annually, which represents more than 70 percent of the green power commitments made by all EPA Green Power Partners.
