NOTES:

State allocations for fiscal years 2009 and 2010 and some Recovery Act programs are preliminary estimates based on currently available data. Allocations based on new data may result in significant changes from these preliminary estimates.

Final allocations will reflect the statutory requirement that Federal funds appropriated to the Rural Education program be equally divided between the Small, Rural School Achievement and Rural and Low-Income Schools programs.

The program includes \$100,000 in FY 2008 for planned evaluation of the program. This amount is shown in the undistributed non-State allocations line.

NOTES:
 State allocations for fiscal years 2009 and 2010 and some Recovery Act programs are preliminary estimates based on currently available data.
 Allocations based on new data may result in significant changes from these preliminary estimates.

Governors must use funds to support public elementary, secondary, and higher education, and, as applicable, early childhood education programs and services.

Compiled for posting on the WEB by the Budget Service on May 7, 2009.

NOTES:

Fiscal year 2009 and 2010 allocations are subject to change pending passage of reauthorized Adult Basic and Literacy Education programs. A preliminary estimate of State allocations is provided above.

Due to an administrative error in fiscal years 2003 through 2008, 23 States did not receive their full allocations. The FY 2010 estimates reflect a one-time request for additional funds to correct the underpayments. No corrective action would be taken with respect to overpayments.

The totals exclude amounts for the English Literacy and Civics Education State Grants program, which is displayed in a separate table.
