

Model Aquatic Health Code (MAHC)
STEERING COMMITTEE

MEETING MINUTES
SEPTEMBER 25, 2007 CONFERENCE CALL
2:30 – 4:00 PM (EDT)

Members Present: Michael Beach, Chip Cleary, Joe Hunsaker, John Linn, Amanda Long – assistant to the director, David Ludwig, Chuck Neuman, Charles Otto, Doug Sackett: Director

Members Absent: Bart Bibler, Steve Goode

General

- Based on current numbers of outbreaks, it is important that the MAHC provide outbreak response guidance.
- CDC can host the MAHC document on the Healthy Swimming website.

Meeting Minutes

- June and July conference call summaries will undergo minor revisions and then be posted to the MAHC website.
- Atlanta meeting minutes will be discussed at the World Aquatic Health Conference (WAHC) in Cincinnati, OH—October 2-4, 2007.

Documents

- The technical committee Nomination Form, Rules of Engagement, and Code of Ethics will be merged together and provided as a handout at the WAHC.
- The MAHC Project Outline will undergo minor revisions and then provided in draft form at the WAHC.
- The Technical Committee Module Coversheet will be finalized.
- The aforementioned documents will be posted to the MAHC website.

Strawman

- A Strawman outline of potential topics has been developed and will be used as a starting point for discussion on what will be included in the model code.
- The Strawman will be provided to the steering committee members at the WAHC in Cincinnati.

WAHC/Upcoming Steering Committee Meeting

- Mr. Sackett will give presentations about the MAHC both at the Environmental Health Leaders meeting (the day prior to the WAHC) and during the WAHC.
- The next steering committee meeting will be held in Cincinnati, Ohio on October 2, 2007 from 8:30 –11:30 AM (EDT) in conjunction with the WAHC.
