

Model Aquatic Health Code (MAHC) STEERING COMMITTEE

Technical Committee Selection Criteria

The MAHC Steering Committee (SC) will determine which Technical Committees (TCs) are needed, the priority ranking for forming the TCs, selection of the TC Chairs, and approval of TC members. The selection process will be as follows:

Selection

1. The nomination process for TC Chairpersons
 - SC members may nominate individuals.
 - Individuals on the “Interested” TC Members List may be selected for consideration by the SC and contacted regarding their willingness to serve as Chairperson if selected.

2. Individuals nominated for a TC Chair must complete appropriate forms posted at http://wwwdev.cdc.gov/healthyswimming/MAHC/pdf/MAHC_Tech_Comm_Nomination.pdf.
 - Nomination form
 - Code of Ethics form
 - Consent form for publishing member names
 - A short bibliography
 - Other forms/documents as required by the SC (e.g., a resume, etc.)

3. Once a TC Chairperson candidate list has been established, the SC will select the TC Chairs by majority vote.

4. After the TC Chair has been approved, The SC will name a SC Liaison. This individual must be a member of the SC. Some SC members may be liaisons for more than one TC.

5. The MAHC Director, the SC Liaison, or the MAHC Coordinator will notify the selected TC Chairpersons.
