

Featured U.S. Exporters

Promote Your Products on Websites Around the World

The screenshot shows the BUYUSA.GOV website interface. At the top, it says "BUYUSA.GOV U.S. Commercial Service" and "Site Map | Tourism". The main header includes the "U.S. COMMERCIAL SERVICE 25 Years of Service" logo and the text "美國在台協會商務組". A search bar is visible with the text "搜尋! Search:" and "請輸入關鍵字". The main content area displays a product listing for "個人用醫療級空氣微粒子過濾高效率清淨機" (Personal Medical Grade Air Particulate Filter High Efficiency Purifier). The listing includes a brief description in Chinese: "美商產品簡介: Acme Air Systems 公司開發並製造具HEPA醫療級高效率空氣微粒子過濾清淨機Health™ 系列產品。高效能可涵蓋 60 平方英尺空間, 濾除 99.97% 的 0.3 microns 粒徑或更大的空氣中浮游微粒。內含 15 磅的碳濾材及沸石濾材可吸收臭味、氣體及化學品。尺寸為 23 英寸高及 14.5 英寸寬, 附輪, 可輕易移動。用於可清淨 1500 平方英尺(一般天花板高度)空間, 外觀顏色有: 白色、沙石色、黑色。" Below the description, it lists the company as "美商公司: Acme Air Systems Ltd — Anytown, NY" and the target market as "本產品針對台灣市場徵求之目標: 經銷商". An image of the air purifier is shown on the right side of the listing.

Featured **U.S. Exporters (FUSE)** is an on-line directory of U.S. products featured on the websites of U.S. Commercial Services offices around the world.

FUSE gives your company an opportunity to target specific country markets—including China, Germany, Japan and many others—in the local language of business. Qualified U.S. exporters can request listings in any of 12 languages covering over 30 international markets.

A nominal participation fee (minimum \$25) is based on the number of markets selected and translation requirements.
