Dear Sirs,

This is just one of the many unsolicited emails I get touting penny stocks.
It is my
opinion that individuals take positions in these stocks and then tout them to the general public. An immediate stop with penalties should be placed on these individuals.

James Carow

Thing on Tuesday!!!

BREAKING NEWS:

Bicoastal Communications Inc. Announces E911 Service Agreement.

GRAND JUNCTION, Colo.--(BUSINESS WIRE)--Bicoastal Communications Inc.
(Pink
Sheets: BCLC - News) announces it
has reached an agreement with Dialpoint Voice Service Inc. of Nevada to
provide E911 services for its National VoIP (Voice over Internet
Protocol) rollout through Callingpoint Communications.

This will give Bicoastal the ability to provide E911 services to all of the lower 48 states via VoIP as required by the FCC.
Upon successful testing of the system, Bicoastal will be in position to start offering Residential and Business VoIP services through its Callingpoint Communications unit within the next two weeks.
