Subject: Request from an investor 4-500

Dear Sir or Madame,

I am writing to ask you to please act immediately on SEC File No. 4-500. Request for Rulemaking Regarding Member Records of "Short" Positions and Reporting and Public Dissemination of Aggregate Positions by Security.

Small issuers traded on the Pink Sheets and the OTCBB deserve the same transparency and regulatory oversight of short selling as those listed on Exchanges or NASDAQ.

Thousands of America's struggling small companies and millions of investors are being illegally manipulated.

I beg you to stop this immediately. This is America, where justice should prevail for all.

Thank you in advance for your efforts.

Respectfully,
Harry Livingston
