# XXI Notes

Access power and data when you need it...where you need it. Whether in computer-based training rooms, interactive classrooms and lecture halls, or high-tech conference rooms, we have you covered. Security concerns? Privacy screens may be set up between workstations. Ergonomic keyboards and adjustable desks maximize comfort and productivity. Stand-up tables provide extra flexibility.

XXI Notes uses PowerUp® to deliver data and power exactly where it's needed. Easy open. Easy close. Easy connection.

## DETAILS:

Foot Depths

multiple Heights

PowerUp® Module

Mobile Worksurface

*If your office demands unique styling and collaborative work support, XXI Notes delivers. Choose from curvilinear, square, rectangular, triangular and corner worksurfaces to transform your space.*

*Hard-wired power with our exclusive distribution system delivers power and data exactly where it's needed. A discreet power/data trough cover keeps unsightly cords out of sight.*

## Office Furniture Solutions

- Shorter transitional legs allow for easy movement throughout the work area
- Whether you sit or stand, XXI Notes fits your work style and ergonomic preferences
- Each power/data module has one duplex receptacle (two power outlets) and two readily accessible data ports
- Choose PowerUp in Levels 1-5 to suit your various power/data needs

## XXI Notes

Loaded with options, XXI Notes is continuously offering you more options for efficiency and productivity...even in cramped quarters. Tackable screens add privacy and personalization. And with abundant paper management choices, including multi-height tool rails with hanging accessories, you can place components where you want them.

XXI Notes joins function with aesthetic statement through a wide range of colorful laminates and panel fabrics. Designed to integrate seamlessly with other systems furniture, it's also a stand-alone value.

*To meet the delicate balance of privacy and teaming, XXI Notes includes shared office capabilities that are flexible and easy to navigate.*

*Tool rails allow users to locate paper management components wherever is convenient.*

## Office Furniture Solutions

- A variety of movable worksurfaces respond to the need for group meetings where mobility is key
- Standard options include adjustable keyboard pads, data tables, printer stands and more
- Ingenious connectivity components keep XXI Notes (and you) connected to power and data at all times...even in shared environments

## XXI Notes

Sometimes two (or three, or more) heads are better than one. XXI Notes creates attractive work areas that invite collaboration. Mobile tear-drop and semi-circle tables move easily for impromptu pairings.

Instructors require unique workstations that accommodate any lesson. XXI Notes facilitator desks have casters for easy mobility and access to learning boards. Features that surely put them at the head of the class. Durable and attractive down to the last detail, XXI Notes is an intelligent investment.

*Conducive to learning. Facilitating respect. Commanding attention.  
Wired for learning. With XXI Notes, you have the power.*

*Desks can be specified with partial modesty panels (shown) or beam option depending on the user's needs.*

## Office Furniture Solutions

- Facilitator desks with casters provide front-of-room mobility and flexibility
- Desks feature unique styling and collaborative work support
