DOCKET FILE COPY ORIGINAL

Dear Sir or Madam:

I am writing today in behalf of myself and the VIP's of Attleboro,
A support group representing over two hundred and fifty (250) blind or legally
Blind people living in this city.

We use and support the making of descriptive video. Our local library has
over (100) one hundred films in stock and purchases an additional 10-20 each
year. We are told that they are very popular and are steadily in demand by
the sighted and the blind. The sighted has expressed that they enjoy the
film more by listening to the descriptions while watching the movie. They claim
they follow the film more in detail and bringing more enjoyment to their viewing.
We have also arranged for BLOCKBUSTER VIDEO. to carry the videos.
We support the proposed descriptive video rules under MM docket number
99-339. We ask for your support Thank you.

Sincerely,

Lawrence Grant
