INTRODUCTION

This questionnaire is part of a major longitudinal study designed to provide trend data about critical transitions experienced by young people as they develop, attend school, and embark on their careers. Your school has agreed to participate in this study and has allowed us to survey a random sample of tenth grade students. **A list of the sampled students whom you have taught this year should be enclosed with this questionnaire.** (If the list is missing, please call Amy Rees Sommer toll-free at RTI at 1-877-226-0150.) You have been identified as a teacher of one or more of the sampled students. We are seeking information from you to supplement other study data about these students.

This questionnaire has two parts:

Part I asks you questions about the characteristics and behaviors of the sampled students whom you had in one of your classes in fall 2001 or whom you are currently teaching. The enclosed student list assigns each student a column letter and a code number. You will answer questions for the first student on the list in column A, the second student in column B, etc. Before answering questions for each student, write that student's initials in the appropriate column where indicated. Just beneath the initials, write the student's code number (from the student list) and darken the ovals that correspond with that number. Once you have completed answering questions about a student, proceed to the next column and fill in the initials and code number for the next student. If you have more than sixteen students on your list of students, your packet should contain a "Continuation Booklet" for use in answering questions about students 17 and above.

Part II requests some general information about your background and activities.

Please answer directly on the questionnaire by darkening the appropriate oval or by writing your response in the space provided. If you are unsure of an answer, please provide an educated guess.

We realize that you are very busy; however, we would appreciate it if you would complete the questionnaire and return it to RTI in the enclosed prepaid envelope within the next two weeks. If you have questions, please call Amy Rees Sommer toll-free at 1-877-226-0150 between 9:00 a.m. and 5:00 p.m. Eastern Time, Monday through Friday. You may also E-mail questions to: ELS@rti.org. (In the subject line, please type Teacher Questionnaire.)

THANK YOU VERY MUCH FOR YOUR HELP.
