- Surface/Mineral Maps cover a 35 x 50 mile area
- Land status (Federal, state, and private ownership) is designated by color code
- Private land owners are *not* shown
- Roads, topographic contour, elevation symbols, rivers, streams, and lakes are shown
- Surface/Mineral Management maps have mineral ownership shading
- Maps are available at Wyoming BLM Field Offices.

NOTE: The 1:100,000 scale maps are designed and published as a planning and management tool. They are prepared from the best available information. The user is cautioned against the use of the ownership information shown on the maps of a specific tract of land for anything except casual use. The official land records in appropriate offices of the Bureau of Land Management should be checked for accurate and up-to-date status on any specific tract of land.
