

Santa Monica Mountains National Recreation Area Vascular Plant Species List

(as derived from NPSpecies 18 Dec 2006)

FAMILY NAME

Scientific Name (Common Name) (* = non-native) - [Abundance]

ASPLENIACEAE

- Asplenium vespertinum* (spleenwort) - [Rare]

AZOLLACEAE

- Azolla filiculoides* (duck fern, mosquito fern) - [Rare]

BLECHNACEAE

- Woodwardia fimbriata* (chain fern) - [Uncommon]

DENNSTAEDTIACEAE

- Pteridium aquilinum* var. *pubescens* (western bracken) - [Uncommon]

DRYOPTERIDACEAE

- Dryopteris arguta* (coastal woodfern) - [Common]

EQUISETACEAE

- Equisetum arvense* - [Uncommon]
- Equisetum hyemale* ssp. *affine* (common scouring rush) - [Uncommon]
- Equisetum laevigatum* (smooth scouring-rush) - [Uncommon]
- Equisetum telmateia* ssp. *braunii* (giant horsetail) - [Uncommon]
- Equisetum X ferrissi* ((sterile hybrid)) - [Unknown]

POLYPODIACEAE

- Polypodium californicum* (polypody) - [Common]

PTERIDACEAE

- Adiantum capillus-veneris* (venus-hair fern) - [Uncommon]
- Adiantum jordanii* (California maidenhair fern) - [Uncommon]
- Aspidotis californica* (California lace fern) - [Rare]
- Cheilanthes cooperae* (Cooper's lip fern) - [Rare]
- Cheilanthes covillei* (Coville's lip fern) - [Rare]
- Cheilanthes newberryi* (cotton fern) - [Rare]
- Notholaena californica* ssp. *leucophylla* (cloak fern) - [Rare]
- Pellaea andromedifolia* (coffee fern) - [Common]
- Pellaea mucronata* (bird's foot fern) - [Common]
- Pentagramma triangularis* ssp. *triangularis* (goldback fern) - [Common]

SELAGINELLACEAE

- Selaginella bigelovii* (spike moss) - [Common]

THELYPTERIDACEAE

- Thelypteris puberula* var. *sonorensis* (downy woodfern) - [Rare]

CUPRESSACEAE

- Juniperus californica* (juniper) - [Rare]

ACERACEAE

- Acer macrophyllum* (bigleaf maple, canyon maple) - [Uncommon]
- Acer negundo* var. *californicum* (box-elder) * - [Uncommon]

AIZOACEAE

- Aptenia cordifolia* (ice plant) * - [Uncommon]
- Carpobrotus chilensis* (sea-fig) * - [Uncommon]

AIZOACEAE

- Carpobrotus edulis* (hottentot-fig) * - [Common]
- Galenia pubescens* * - [Rare]
- Malephora crocea* * - [Uncommon]
- Mesembryanthemum crystallinum* (common ice plant) * - [Common]
- Mesembryanthemum nodiflorum* (slender-leaved ice plant) * - [Uncommon]
- Tetragonia tetragonioides* (New Zealand-spinach) * - [Uncommon]

AMARANTHACEAE

- Amaranthus albus* (tumbleweed) - [Common]
- Amaranthus blitoides* (prostrate pigweed) * - [Common]
- Amaranthus californicus* (California amaranth) - [Uncommon]
- Amaranthus deflexus* (low amaranth) * - [Uncommon]
- Amaranthus powellii* - [Unknown]
- Amaranthus retroflexus* (rough pigweed) * - [Common]

ANACARDIACEAE

- Malosma laurina* (laurel sumac) - [Common]
- Rhus integrifolia* (lemonadeberry) - [Common]
- Rhus ovata* (sugar bush) - [Common]
- Rhus trilobata* var. *pilosissima* (squaw bush) - [Common]
- Schinus molle* (Peruvian-pepper) * - [Uncommon]
- Schinus terebinthifolius* (Brazilian pepper tree) * - [Uncommon]
- Toxicodendron diversilobum* (poison-oak) - [Common]

APIACEAE

- Angelica tomentosa* (woolly angelica) * - [Uncommon]
- Anthriscus caucalis* (bur-chevil) * - [Unknown]
- Apiastrum angustifolium* (wild-celery) - [Uncommon]
- Apium graveolens* (celery) * - [Uncommon]
- Berula erecta* (water parsnip) - [Rare]
- Bowlesia incana* (bowlesia) - [Uncommon]
- Ciclospermum leptophyllum* (marsh parsley) * - [Uncommon]
- Conium maculatum* (poison-hemlock) * - [Uncommon]
- Daucus pusillus* (rattlesnake weed) - [Common]
- Foeniculum vulgare* (fennel) * - [Common]
- Hydrocotyle moschata* * - [Rare]
- Hydrocotyle ranunculoides* (marsh pennywort) - [Unknown]
- Hydrocotyle umbellata* (many-flowered marsh-pennywort) - [Uncommon]
- Hydrocotyle verticillata* (whorled pennywort) - [Unknown]
- Lomatium dasycarpum* ssp. *dasycarpum* (woolly lomatium) - [Common]
- Lomatium lucidum* (shiny lomatium) - [Common]
- Lomatium utriculatum* (hog fennel) - [Uncommon]
- Oenanthe sarmentosa* (dropwort) - [Uncommon]
- Osmorhiza brachypoda* (sweet-cicely) - [Rare]
- Sanicula arguta* (snake root) - [Common]
- Sanicula bipinnata* (poison sanicle) - [Uncommon]
- Sanicula crassicaulis* (Pacific sanicle) - [Uncommon]
- Sanicula tuberosa* (turkey pea) - [Common]
- Scandix pecten-veneris* (shepherd's needle) * - [Rare]

CATEGORY DEFINITION

Abundance

Abundant	Large number of individuals; wide ecological amplitude or occurring in habitats covering a large portion of the park.
Common	Large numbers of individuals predictably occurring in commonly encountered habitats but not those covering a large portion of the park.
Uncommon	Few to moderate numbers of individuals; occurring either sporadically in commonly encountered habitats or in uncommon habitats.
Rare	Few individuals, usually restricted to small areas of rare habitat.
Unknown	Abundance is unknown.

Santa Monica Mountains National Recreation Area Vascular Plant Species List

(as derived from NPSpecies 18 Dec 2006)

FAMILY NAME

Scientific Name (Common Name) (* = non-native) - [Abundance]

APIACEAE

- Tauschia arguta* (southern tauschia) - [Common]
- Tauschia hartwegii* (Hartweg's tauschia) - [Uncommon]
- Torilis arvensis* (spreading hedge parsley) * - [Common]
- Torilis nodosa* (knotted hedge parsley) * - [Rare]
- Yabea microcarpa* (California hedge parsley) - [Rare]

APOCYNACEAE

- Apocynum cannabinum* (dogbane) - [Rare]
- Vinca major* (periwinkle) * - [Uncommon]

ASCLEPIADACEAE

- Araujia sericifera* (white bladderflower) * - [Uncommon]
- Asclepias californica* (California milkweed) - [Uncommon]
- Asclepias eriocarpa* (Indian milkweed) - [Uncommon]
- Asclepias fascicularis* (Narrow-leaved milkweed) - [Common]
- Sarcostemma cyanchooides* ssp. *hartwegii* (climbing milkweed) - [Rare]

ASTERACEAE

- Achillea millefolium* (yarrow) - [Rare]
- Achyrochaena mollis* (blow-wives) - [Rare]
- Acourtia microcephala* (perezia) - [Common]
- Acroptilon repens* (Russian knapweed) * - [Rare]
- Ageratina adenophora* (thoroughwort) * - [Uncommon]
- Agoseris grandiflora* (mountain dandelion) - [Uncommon]
- Agoseris heterophylla* (annual goatsbeard) - [Unknown]
- Amblyopappus pusillus* (coast weed) - [Rare]
- Ambrosia acanthicarpa* (sand-bur) - [Uncommon]
- Ambrosia artemisiifolia* (common ragweed) * - [Common]
- Ambrosia chamissonis* (silver beach-bur) - [Common]
- Ambrosia confertiflora* (perennial burweed) - [Uncommon]
- Ambrosia psilostachya* (western ragweed) - [Common]
- Anaphalis margaritacea* - [Unknown]
- Ancistrocarphus filagineus* (woolly fishhooks) - [Common]
- Anthemis cotula* (mayweed) * - [Rare]
- Artemisia biennis* (biennial sagewort) * - [Uncommon]
- Artemisia californica* (California sagebrush) - [Common]
- Artemisia douglasiana* (mugwort) - [Common]
- Artemisia dracunculoides* (dragon sage, wild tarragon) - [Common]
- Artemisia tridentata* ssp. *parishii* (big sagebrush) - [Rare]
- Aster lanceolatus* ssp. *hesperius* (western aster) - [Rare]
- Baccharis douglasii* (salt marsh baccharis) - [Uncommon]
- Baccharis malibuensis* - [Rare]
- Baccharis pilularis* (coyote bush) - [Common]

ASTERACEAE

- Baccharis plummerae* ssp. *plummerae* (Plummer's baccharis) - [Uncommon]
- Baccharis salicifolia* (mule fat) - [Common]
- Baccharis sergiloides* (desert baccharis, squaw waterweed) * - [Unknown]
- Bellis perennis* (English daisy) * - [Uncommon]
- Bidens frondosa* (stick-tight) - [Common]
- Bidens laevis* (bur-marigold) - [Rare]
- Bidens pilosa* (beggar-ticks) * - [Common]

ASTERACEAE

ASTERACEAE

- Brickellia californica* (California brickellbush) - [Common]
- Brickellia nevinii* (Nevin's brickellbush) - [Uncommon]
- Carduus pycnocephalus* (Italian thistle) * - [Common]
- Centaurea calcitrapa* * - [Unknown]
- Centaurea melitensis* (tocalote, yellow starthistle) * - [Common]
- Centaurea solstitialis* (Barneby's-thistle) * - [Uncommon]
- Centromadia pungens* (common spikeweed) - [Rare]
- Centromadia pungens* ssp. *laevis* - [Rare]
- Centromadia pungens* ssp. *pungens* - [Unknown]
- Chaenactis artemisiifolia* (white pincushion) - [Uncommon]
- Chaenactis glabriuscula* var. *glabriuscula* (yellow pincushion) - [Uncommon]
- Chaenactis glabriuscula* var. *lanosa* - [Unknown]
- Chamomilla suaveolens* (pineapple weed) * - [Common]
- Chondrilla juncea* (skeleton weed) * - [Uncommon]
- Chrysanthemum coronarium* (garland chrysanthemum) * - [Uncommon]
- Chrysothamnus nauseosus* ssp. *mohavensis* (rabbit-brush) - [Rare]
- Cichorium intybus* (chicory) * - [Uncommon]
- Cirsium occidentale* var. *californicum* (California thistle) - [Common]
- Cirsium occidentale* var. *occidentale* (cobwebby thistle) - [Unknown]
- Cirsium vulgare* (bull thistle) * - [Uncommon]
- Cnicus benedictus* (blessed thistle) - [Uncommon]
- Conyza bonariensis* (little horseweed) * - [Uncommon]
- Conyza canadensis* (horseweed) - [Common]
- Conyza coulteri* - [Uncommon]
- Coreopsis bigelovii* (annual coreopsis) - [Rare]
- Coreopsis calliopsidea* (leafy-stem coreopsis) - [Rare]
- Coreopsis gigantea* (giant coreopsis) - [Uncommon]
- Corethrogyne filaginifolia* - [Common]
- Cotula australis* (Australian brassbutton) * - [Common]
- Cotula coronopifolia* (brass buttons) * - [Uncommon]
- Crepis capillaris* (smooth hawkbeard) * - [Unknown]
- Cynara cardunculus* (cardoon) * - [Uncommon]
- Cynara scolymus* (artichoke) * - [Unknown]
- Deinandra fasciculata* (slender tarweed) - [Common]
- Deinandra minthornii* (Santa Susana tarweed) - [Rare]
- Deinandra ramosissima* - [Unknown]
- Dimorphotheca sinuata* (cape-marigold) * - [Uncommon]
- Eclipta prostrata* (yerba de tajo) - [Uncommon]
- Encelia californica* (bush sunflower) - [Common]
- Encelia farinosa* (brittlebush, incienso) - [Rare]
- Erechtites minima* * - [Rare]
- Ericameria arborescens* (golden-fleece) - [Rare]
- Ericameria ericoides* (mock heather) - [Uncommon]
- Ericameria linearifolia* (slender-leaved goldenbush) - [Uncommon]
- Ericameria palmeri* var. *pachylepis* (Palmer's goldenbush) - [Uncommon]
- Ericameria parishii* var. *parishii* (Parish's goldenbush) - [Uncommon]

(as derived from NPSpecies 18 Dec 2006)

FAMILY NAME

Scientific Name (Common Name) (* = non-native) - [Abundance]

- Ericameria pinifolia* (pine-bush) - [Uncommon]
- Erigeron foliosus* var. *foliosus* (fleabane aster) - [Uncommon]
- Eriophyllum confertiflorum* var. *confertiflorum* (golden-yarrow) - [Common]
- Eriophyllum multicaule* (many-stem woolly-sunflower) - [Unknown]
- Euthamia occidentalis* (western goldentop) - [Uncommon]
- Filago californica* (California filago) - [Uncommon]
- Filago gallica* * - [Uncommon]
- Galinsoga parviflora* (small-flowered galinsoga) * - [Uncommon]
- Gnaphalium bicolor* (two-tone everlasting) - [Common]
- Gnaphalium californicum* (California everlasting, green everlasting) - [Common]
- Gnaphalium canescens* ssp. *beneolens* (fragrant everlasting) - [Uncommon]
- Gnaphalium canescens* ssp. *microcephalum* (felt-leaf everlasting, white everlasting) - [Uncommon]
- Gnaphalium leucocephalum* (Sonora everlasting) - [Uncommon]
- Gnaphalium luteo-album* (weedy cudweed) * - [Uncommon]
- Gnaphalium palustre* (lowland cudweed) - [Uncommon]
- Gnaphalium ramosissimum* (pink everlasting) - [Uncommon]
- Gnaphalium stramineum* (cotton-batting plant) - [Rare]
- Grindelia camporum* var. *bracteosum* (bracted gumplant) - [Unknown]
- Grindelia camporum* var. *camporum* (gum plant) - [Uncommon]
- Gutierrezia californica* (snakeweed) - [Rare]
- Gutierrezia sarothrae* (broom snakeweed, matchweed) - [Unknown]
- Hazardia squarrosa* var. *grindeloides* (sawtooth goldenbush) - [Common]
- Hedypnois cretica* (hedypnois) * - [Uncommon]
- Helenium puberulum* (sneezeweed) - [Uncommon]
- Helianthus annuus* (common sunflower) - [Common]
- Helianthus californicus* (California sunflower) - [Unknown]
- Helianthus gracilentus* (slender sunflower) - [Common]
- Heliomeris hispida* * - [Unknown]
- Heliomeris longifolia* (longleaf false goldeneye) * - [Unknown]
- Hemizonia congesta* ssp. *luzulifolia* (hayfield tarweed) - [Unknown]
- Heterotheca grandiflora* (telegraph weed) - [Common]
- Heterotheca sessiliflora* ssp. *fastigiata* (hairy goldenaster) - [Rare]
- Heterotheca sessiliflora* ssp. *sessiliflora* (hairy golden-aster) - [Rare]
- Heterotheca villosa* (hairy golden-aster) - [Uncommon]
- Hieracium argutum* (hawkweed) - [Rare]
- Hypochaeris glabra* (annual cat's ear) * - [Common]
- Hypochaeris radicata* (perennial cat's ear) * - [Rare]
- Isocoma menziesii* var. *menziesii* (Menzies' goldenbush) - [Unknown]
- Isocoma menziesii* var. *sedoides* (coast goldenbush) - [Uncommon]

ASTERACEAE

- Isocoma menziesii* var. *vernonioides* (coast goldenbush) - [Common]
- Iva axillaris* ssp. *robustior* (poverty weed) - [Uncommon]
- Jaumea carnosa* (marsh jaumea) - [Uncommon]
- Lactuca serriola* (lettuce) * - [Common]
- Lactuca virosa* * - [Unknown]
- Lagophylla ramosissima* ssp. *ramosissima* (hareleaf) - [Rare]
- Lasthenia californica* (coast goldfields) - [Uncommon]
- Lasthenia coronaria* (southern goldfields) - [Uncommon]
- Lasthenia glabrata* ssp. *coulteri* (Coulter's goldfields) - [Rare]
- Layia hieracioides* - [Unknown]
- Layia platyglossa* (tidy tips) - [Uncommon]
- Lepidospartum squamatum* (scale broom) - [Uncommon]
- Lessingia glandulifera* - [Rare]
- Madia elegans* - [Rare]
- Madia elegans* ssp. *densifolia* (common madia, crown madia) - [Rare]
- Madia elegans* ssp. *elegans* - [Common]
- Madia exigua* (pygmy madia) - [Rare]
- Madia gracilis* (gumweed) - [Uncommon]
- Madia sativa* (coast tarweed) - [Unknown]
- Malacothrix clevelandii* (annual malacothrix) - [Rare]
- Malacothrix coulteri* (snake's head) - [Unknown]
- Malacothrix saxatilis* var. *tenuifolia* (cliff-aster) - [Common]
- Micropus californicus* var. *californicus* (slender cottonweed) - [Common]
- Microseris douglasii* ssp. *douglasii* (microseris) - [Uncommon]
- Microseris douglasii* ssp. *platycarpa* - [Rare]
- Microseris douglasii* ssp. *tenella* (microseris) - [Uncommon]
- Microseris elegans* (elegant microseris) - [Rare]
- Monolopia lanceolata* (monolopia) - [Uncommon]
- Osteospermum ecklonis* (blue and white daisybush) * - [Common]
- Osteospermum fruticosum* (trailing African daisy) * - [Uncommon]
- Pentachaeta lyonii* (Lyon's pentachaeta) - [Rare]
- Perityle emoryi* (rock daisy) - [Uncommon]
- Picris echioides* (bristly ox-tongue) * - [Common]
- Pluchea odorata* (marsh-fleabane) - [Rare]
- Psilocarphus brevissimus* var. *brevissimus* (dwarf woolly heads) - [Unknown]
- Psilocarphus tenellus* var. *tenellus* (woolly-heads) - [Rare]
- Rafinesquia californica* (California chicory) - [Uncommon]
- Senecio aphanactis* (California groundsel) - [Rare]
- Senecio breweri* (Brewer's butterweed) - [Uncommon]
- Senecio californicus* (California butterweed) - [Uncommon]
- Senecio flaccidus* var. *douglasii* (bush senecio) - [Common]
- Senecio mikanoides* (German ivy) * - [Common]
- Senecio vulgaris* (common groundsel) * - [Common]
- Silybum marianum* (milk-thistle) * - [Common]
- Solidago californica* (California goldenrod) - [Uncommon]
- Solidago gigantea* - [Unknown]
- Soliva sessilis* (common soliva) * - [Rare]
- Sonchus asper* ssp. *asper* * - [Common]

(as derived from NPSpecies 18 Dec 2006)

FAMILY NAME

Scientific Name (Common Name) (* = non-native) - [Abundance]

ASTERACEAE

- Sonchus oleraceus* (sow-thistle) * - [Common]
- Stebbinsoseris heterocarpa* (brown microseris) - [Uncommon]
- Stephanomeria cichoriacea* (Tejon milk aster) - [Uncommon]
- Stephanomeria diegensis* - [Uncommon]
- Stephanomeria exigua* ssp. *coronaria* - [Uncommon]
- Stephanomeria virgata* ssp. *virgata* (wand chicory) - [Common]
- Stylocline gnaphaloides* (everlasting nest-straw) - [Uncommon]
- Symphyotrichum subulatum* var. *ligulatum* (slim aster) - [Rare]
- Tanacetum parthenium* (feverfew) * - [Unknown]
- Taraxacum officinale* (common dandelion) * - [Uncommon]
- Tetradymia comosa* - [Rare]
- Tragopogon porrifolius* (oyster plant, salsify) * - [Rare]
- Uropappus lindleyi* (silver puffs) - [Common]
- Urospermum picroides* * - [Unknown]
- Venegasia carpesioides* (canyon sunflower) - [Common]
- Verbesina encelioides* ssp. *exauriculata* (golden crownbeard) * - [Uncommon]
- Xanthium spinosum* (spiny clotbur) - [Uncommon]
- Xanthium strumarium* (cocklebur) - [Common]

BATACEAE

- Batis maritima* (saltwort) - [Uncommon]

BERBERIDACEAE

- Berberis nevini* (Nevin's barberry) - [Rare]
- Berberis pinnata* ssp. *pinnata* (barberry) - [Rare]

BETULACEAE

- Alnus rhombifolia* (white alder) - [Uncommon]

BORAGINACEAE

- Amsinckia douglasiana* - [Unknown]
- Amsinckia menziesii* (small-flowered fiddleneck) - [Uncommon]
- Amsinckia menziesii* var. *intermedia* (common fiddleneck) - [Common]
- Amsinckia menziesii* var. *menziesii* (small-flowered fiddleneck) - [Uncommon]
- Cryptantha clevelandii* (white forget-me-not) - [Uncommon]
- Cryptantha intermedia* (popcorn flower large-flowered) - [Common]
- Cryptantha micromeres* (popcorn flower minute-flowered) - [Uncommon]
- Cryptantha microstachys* (popcorn flower Tejon cryptantha) - [Uncommon]
- Cryptantha muricata* (prickly popcorn flower) - [Common]
- Heliotropium curassavicum* (wild heliotrope) - [Common]
- Pectocarya linearis* ssp. *ferocula* (slender pectocarya) - [Uncommon]
- Pectocarya penicillata* (winged pectocarya) - [Rare]
- Plagiobothrys acanthocarpus* (adobe popcorn flower) - [Rare]

BORAGINACEAE

- Plagiobothrys canescens* (valley popcorn flower) - [Rare]
- Plagiobothrys collinus* var. *californicus* - [Unknown]
- Plagiobothrys collinus* var. *fulvescens* - [Unknown]
- Plagiobothrys nothofulvus* (popcorn flower) - [Uncommon]
- Plagiobothrys tenellus* - [Unknown]

BRASSICACEAE

- Arabis glabra* var. *glabra* (tower-mustard) - [Uncommon]
- Arabis sparsiflora* var. *californica* (elegant rock rose) - [Uncommon]
- Athysanus pusillus* (dwarf athysanus) - [Uncommon]
- Barbarea orthoceras* (winter-ress) - [Uncommon]
- Brassica napus* * - [Unknown]
- Brassica nigra* (black mustard) * - [Common]
- Brassica rapa* (common mustard) * - [Uncommon]
- Brassica tournefortii* * - [Rare]
- Cakile edentula* (sea-rocket) * - [Unknown]
- Cakile maritima* (sea-rocket) * - [Uncommon]
- Camelina microcarpa* * - [Unknown]
- Capsella bursa-pastoris* (shepherd's-purse) * - [Common]
- Cardamine californica* var. *californica* (milkmaids) - [Uncommon]
- Cardamine oligosperma* (bitter-ress) - [Uncommon]
- Cardaria draba* (hoary-ress) * - [Rare]
- Cardaria pubescens* (whitetop) * - [Uncommon]
- Caulanthus coulteri* - [Unknown]
- Caulanthus heterophyllus* var. *heterophyllus* (jewel flower) - [Uncommon]
- Caulanthus heterophyllus* var. *pseudosimulans* - [Unknown]
- Coronopus didymus* (wart-ress) * - [Uncommon]
- Descurainia pinnata* - [Unknown]

BRASSICACEAE

- Descurainia pinnata* ssp. *halictorum* - [Unknown]
- Descurainia pinnata* ssp. *menziesii* (tansy mustard) - [Uncommon]
- Descurainia sophia* (flix-weed) * - [Uncommon]
- Diplotaxis tenuifolia* (wall-rocket) * - [Rare]
- Dithyrea maritima* (spectacle-pod) - [Rare]
- Draba cuneifolia* - [Unknown]
- Draba cuneifolia* var. *integrifolia* (rock cross) - [Unknown]
- Erysimum capitatum* ssp. *capitatum* (western wallflower) - [Uncommon]
- Erysimum insulare* ssp. *suffrutescens* (coast wallflower) - [Rare]
- Guillenia lasiophylla* - [Unknown]
- Hirschfeldia incana* (Mediterranean mustard) * - [Common]
- Lepidium lasiocarpum* var. *lasiocarpum* (hairy peppergrass) - [Uncommon]
- Lepidium latifolium* (perennial peppergrass) * - [Uncommon]
- Lepidium latipes* var. *latipes* (dwarf peppergrass) - [Rare]
- Lepidium nitidum* (shining peppergrass) - [Uncommon]
- Lepidium nitidum* var. *nitidum* - [Unknown]
- Lepidium oblongum* var. *oblongum* - [Uncommon]
- Lepidium perfoliatum* * - [Rare]

Santa Monica Mountains National Recreation Area Vascular Plant Species List

(as derived from NPSpecies 18 Dec 2006)

FAMILY NAME

Scientific Name (Common Name) (* = non-native) - [Abundance]

BRASSICACEAE

- Lepidium virginicum* var. *pubescens* (peppergrass) - [Uncommon]
- Lobularia maritima* (sweet-alyssum) * - [Uncommon]
- Matthiola incana* (stock) * - [Uncommon]
- Raphanus raphanistrum* (jointed charlock) * - [Uncommon]
- Raphanus sativus* (wild radish) * - [Common]
- Rorippa curvisiliqua* (yellow cress) - [Uncommon]
- Rorippa nasturtium-aquaticum* (water-cress) * - [Common]
- Sinapis arvensis* (field charlock) * - [Common]
- Sisymbrium altissimum* (tumble-mustard) * - [Uncommon]
- Sisymbrium irio* (london-rocket) * - [Uncommon]
- Sisymbrium officinale* (hedge-mustard) * - [Uncommon]
- Sisymbrium orientale* (oriental mustard) * - [Uncommon]
- Stanleya pinnata* (golden prince's plume) - [Rare]
- Thysanocarpus curvipes* (lace-pod) - [Rare]
- Thysanocarpus laciniatus* (narrow-leaved fringe-pod) - [Uncommon]
- Tropidocarpum gracile* (dobie-pod) - [Uncommon]

BUDDLEJACEAE

- Buddleja davidii* (summer lilac) * - [Rare]
- Buddleja saligna* (butterfly bush) * - [Rare]

CACTACEAE

- Opuntia basilaris* var. *basilaris* (beavertail cactus) - [Unknown]
- Opuntia ficus-indica* (indian-fig) * - [Uncommon]
- Opuntia littoralis* - [Unknown]
- Opuntia littoralis* var. *littoralis* (coastal prickly-pear) - [Uncommon]
- Opuntia oricola* (prickly pear) - [Uncommon]

CACTACEAE

- Opuntia prolifera* (coast cholla) - [Uncommon]
- Opuntia X occidentalis* - [Unknown]

CALLITRICHACEAE

- Callitriche marginata* (California water-starwort) - [Uncommon]

CAMPANULACEAE

- Githopsis diffusa* ssp. *diffusa* (southern blue-cup) - [Rare]
- Lobelia dunnii* var. *serrata* (Rothrock's lobelia) - [Uncommon]
- Nemacladus ramosissimus* (Nuttall's nemocladus) - [Rare]
- Triodanis perfoliata* (little Venus looking glass) - [Unknown]
- Triodanis perfoliata* var. *biflora* (little Venus' looking glass) - [Unknown]

CANNABACEAE

- Cannabis sativa* (marijuana) * - [Unknown]

CAPPARACEAE

- Isomeris arborea* (bladderpod) - [Uncommon]

CAPRIFOLIACEAE

- Lonicera hispidula* var. *vacillans* (California honeysuckle) - [Uncommon]

CAPRIFOLIACEAE

- Lonicera japonica* (Japanese honeysuckle ('Halliani')) - [Unknown]
- Lonicera subspicata* var. *denudata* (chaparral honeysuckle) - [Common]
- Sambucus mexicana* (elderberry) - [Common]
- Symphoricarpos mollis* (snowberry) - [Common]

CARYOPHYLLACEAE

- Cardionema ramosissimum* (sand mat) - [Uncommon]
- Cerastium glomeratum* (mouse-ear chickweed) * - [Rare]
- Gypsophila elegans* (showy baby's-breath) - [Unknown]
- Herniaria hirsuta* ssp. *cinerea* (herneria) * - [Uncommon]
- Loeflingia squarrosa* var. *squarrosa* - [Unknown]
- Minuartia douglasii* (Douglas' sandwort) - [Uncommon]
- Petrorhagia dubia* (hairypink) * - [Unknown]
- Polycarpon depressum* (California polycarpa) - [Uncommon]
- Polycarpon tetraphyllum* (four-leaved polycarp) * - [Uncommon]
- Silene antirrhina* (sleepy catchfly, snapdragon catchfly) - [Rare]
- Silene gallica* (windmill pink) * - [Common]
- Silene laciniata* ssp. *major* (indian pink) - [Common]
- Silene multinervia* (many-nerved catchfly) - [Rare]
- Silene verecunda* ssp. *platyota* (Dolores campion) - [Rare]
- Spergula arvensis* ssp. *arvensis* (corn spurry) * - [Rare]
- Spergularia bocconi* - [Uncommon]
- Spergularia macrotheca* var. *leucantha* - [Unknown]
- Spergularia macrotheca* var. *macrotheca* (large-flowered sand spurry) - [Common]
- Spergularia marina* (salt-marsh sand spurry) - [Common]
- Spergularia villosa* * - [Unknown]

CARYOPHYLLACEAE

- Stellaria media* (common chickweed) * - [Common]
- Stellaria nitens* (shiny chickweed) - [Uncommon]

CHENOPODIACEAE

- Atriplex californica* (California saltbush) - [Uncommon]
- Atriplex canescens* ssp. *canescens* (fourwing saltbush, shad-scale) - [Unknown]
- Atriplex canescens* var. *linearis* - [Unknown]
- Atriplex coulteri* (Coulter's saltbush) - [Rare]
- Atriplex lentiformis* ssp. *lentiformis* (quail bush) - [Uncommon]
- Atriplex leucophylla* (beach saltbush) - [Uncommon]
- Atriplex linearis* * - [Unknown]
- Atriplex polycarpa* * - [Uncommon]
- Atriplex rosea* (redscale) * - [Common]
- Atriplex semibaccata* (Australian saltbush) * - [Common]
- Atriplex serenana* var. *serenana* (annual saltbush) - [Uncommon]
- Atriplex subspicata* - [Unknown]
- Atriplex triangularis* (arrow-leaf saltbush) * - [Common]
- Atriplex watsonii* - [Uncommon]

CATEGORY DEFINITION

Abundance

Abundant	Large number of individuals; wide ecological amplitude or occurring in habitats covering a large portion of the park.
Common	Large numbers of individuals predictably occurring in commonly encountered habitats but not those covering a large portion of the park.
Uncommon	Few to moderate numbers of individuals; occurring either sporadically in commonly encountered habitats or in uncommon habitats.
Rare	Few individuals, usually restricted to small areas of rare habitat.
Unknown	Abundance is unknown.

Santa Monica Mountains National Recreation Area Vascular Plant Species List

(as derived from NPSpecies 18 Dec 2006)

FAMILY NAME

Scientific Name (Common Name) (* = non-native) - [Abundance]

CHENOPODIACEAE

- Bassia hyssopifolia (five-hook bassia) * - [Uncommon]
- Beta vulgaris (garden beet) * - [Uncommon]
- Chenopodium album (lamb's quarter, pigweed) * - [Unknown]
- Chenopodium ambrosioides (mexican tea) * - [Common]
- Chenopodium berlandieri (goosefoot) - [Uncommon]
- Chenopodium californicum (California goosefoot, soap plant) - [Uncommon]
- Chenopodium macrospermum var. halophilum (coast goosefoot) - [Uncommon]
- Chenopodium multifidum (cut-leaved goosefoot) * - [Common]
- Chenopodium murale (nettle-leaf goosefoot, sowbane) * - [Common]
- Chenopodium pumilio (Tasmanian goosefoot) * - [Uncommon]
- Chenopodium rubrum - [Common]
- Chenopodium strictum var. glaucophyllum (white goosefoot) * - [Common]
- Kochia scoparia - [Unknown]
- Salicornia bigelovii - [Uncommon]
- Salicornia maritima - [Unknown]
- Salicornia subterminalis (Parish's glasswort) - [Uncommon]
- Salicornia virginica (annual pickleweed, slender glasswort) - [Uncommon]
- Salsola tragus (Russian thistle) * - [Common]
- Suaeda calceoliformis (sea blite) - [Rare]
- Suaeda esteroa (estuary sea-blite) - [Uncommon]
- Suaeda taxifolia (California sea blite) - [Uncommon]

CISTACEAE

- Cistus ladaniferus (rock-rose) * - [Unknown]
- Helianthemum scoparium (rock-rose) - [Common]

CONVOLVULACEAE

- Calystegia macrostegia - [Unknown]
- Calystegia macrostegia ssp. arida - [Unknown]
- Calystegia macrostegia ssp. cyclostegia (morning glory) - [Common]
- Calystegia macrostegia ssp. intermedia - [Unknown]
- Calystegia purpurata ssp. purpurata - [Uncommon]
- Calystegia soldanella (beach morning-glory) - [Uncommon]
- Convolvulus arvensis (bindweed) * - [Uncommon]
- Convolvulus simulans - [Uncommon]
- Cressa truxillensis (alkali weed) - [Uncommon]
- Cuscuta californica (dodder) - [Common]
- Cuscuta californica var. breviflora - [Unknown]
- Cuscuta californica var. papillosa - [Unknown]
- Cuscuta pentagona (dodder) - [Uncommon]
- Cuscuta salina var. major (dodder) - [Uncommon]
- Cuscuta subinclusa (canyon dodder) - [Common]
- Dichondra occidentalis (western dichondria) - [Uncommon]
- Ipomoea purpurea (common morning-glory) * - [Uncommon]

CORNACEAE

- Cornus glabrata (brown dogwood) - [Rare]

CRASSULACEAE

- Crassula connata (pygmyweed) - [Common]
- Dudleya abramsii ssp. parva (Conejo dudleya) - [Rare]
- Dudleya blochmaniae ssp. blochmaniae (Blochman's live-forever) - [Rare]
- Dudleya caespitosa (live-forever) - [Uncommon]
- Dudleya cymosa (marcescent dudleya) - [Uncommon]
- Dudleya cymosa ssp. marcescens (Santa Monica Mountains marcescent dudleya) - [Rare]
- Dudleya cymosa ssp. ovatifolia (Santa Monica Mountains dudleya) - [Rare]
- Dudleya lanceolata (lance-leaf live-forever) - [Common]
- Dudleya multicaulis (long-stemmed hasseanthus) - [Rare]
- Dudleya palmeri - [Uncommon]
- Dudleya pulverulenta ssp. pulverulenta (chalk live-forever) - [Uncommon]
- Dudleya verityi (Verity's dudleya) - [Rare]
- Sedum spathulifolium (stonecrop) - [Rare]

CUCURBITACEAE

- Cucurbita foetidissima (gourd) - [Common]
- Marah fabaceus (California manroot) - [Unknown]
- Marah macrocarpus var. macrocarpus (man-root) - [Common]

DATISCAEAE

- Datisca glomerata (Durango root) - [Common]

ELATINACEAE

- Elatine californica (California waterwort) - [Uncommon]

ERICACEAE

- Arbutus menziesii - [Unknown]
- Arctostaphylos glandulosa ssp. mollis (Eastwood's manzanita) - [Uncommon]
- Arctostaphylos glauca (bigberry manzanita) - [Uncommon]
- Comarostaphylis diversifolia ssp. planifolia (summer holly) - [Rare]

EUPHORBIACEAE

- Chamaesyce albomarginata (rattlesnake weed) - [Uncommon]
- Chamaesyce maculata (spotted spurge) * - [Uncommon]
- Chamaesyce melanadenia (squaw spurge) - [Uncommon]
- Chamaesyce polycarpa var. hirtella (golondrina) - [Uncommon]
- Chamaesyce polycarpa var. polycarpa - [Common]
- Chamaesyce serpens * - [Unknown]
- Chamaesyce serpyllifolia (thyme-leaved spurge) - [Uncommon]
- Croton californicus (croton) - [Uncommon]
- Croton setigerus (turkey mullein) - [Common]
- Euphorbia crenulata (Chinese caps) - [Uncommon]
- Euphorbia esula (leafy spurge) * - [Unknown]

FAMILY NAME

Scientific Name (Common Name) (* = non-native) - [Abundance]

EUPHORBIACEAE

- Euphorbia lathyris* (caper spurge) * - [Unknown]
- Euphorbia peplus* (petty spurge) * - [Common]
- Euphorbia spathulata* - [Unknown]
- Euphorbia terracina* * - [Unknown]
- Ricinus communis* (castor-bean) * - [Common]
- Stillingia linearifolia* - [Uncommon]

FABACEAE

- Acacia longifolia* (golden wattle, Sydney golden) * - [Unknown]
- Amorpha californica* var. *californica* (false indigo) - [Uncommon]
- Astragalus brauntonii* (Braunton's rattle-weed) - [Rare]
- Astragalus didymocarpus* var. *didymocarpus* (common dwarf locoweed) - [Uncommon]
- Astragalus gambelianus* (Gambel's dwarf locoweed) - [Uncommon]
- Astragalus pycnostachyus* var. *lanosissimus* (Ventura marsh milkvetch) - [Rare]
- Astragalus tener* var. *titi* (slender rattle-weed) - [Unknown]
- Astragalus trichopodus* var. *lonchus* (southern California locoweed) - [Common]
- Astragalus trichopodus* var. *phoxus* (Santa Barbara locoweed) - [Common]
- Astragalus trichopodus* var. *trichopodus* (Santa Barbara milkvetch) - [Unknown]
- Caesalpinia gilliesii* (bird-of-paradise) * - [Unknown]
- Ceratonia siliqua* * - [Unknown]
- Cercis occidentalis* (western redbud) - [Unknown]
- Dipogon lignosus* * - [Rare]
- Genista monspessulana* * - [Uncommon]
- Glycyrrhiza lepidota* (licorice) - [Rare]

FABACEAE

- Hoita macrostachya* (leather root) - [Uncommon]
- Lathyrus latifolius* (perennial sweetpea) * - [Uncommon]
- Lathyrus odoratus* (sweetpea) * - [Unknown]
- Lathyrus vestitus* var. *vestitus* (wild sweet pea) - [Common]
- Lotus argophyllus* var. *argophyllus* (silver lotus) - [Uncommon]
- Lotus corniculatus* (birdfoot trefoil) * - [Uncommon]
- Lotus grandiflorus* (large-flowered lotus) - [Uncommon]
- Lotus hamatus* (San Diego lotus) - [Rare]
- Lotus micranthus* (small-flowered lotus) - [Uncommon]
- Lotus oblongifolius* var. *oblongifolius* (narrow-leaved lotus) - [Uncommon]
- Lotus purshianus* (Spanish clover) - [Common]
- Lotus purshianus* var. *purshianus* (Spanish clover) - [Common]
- Lotus salsuginosus* var. *salsuginosus* (coastal lotus) - [Uncommon]
- Lotus scoparius* var. *scoparius* (deerweed) - [Common]
- Lotus strigosus* (strigose lotus) - [Uncommon]
- Lotus wrangelianus* (Chile lotus) - [Uncommon]
- Lupinus bicolor* (dove lupine) - [Common]

FABACEAE

- Lupinus chamissonis* (dune bush lupine) - [Uncommon]
- Lupinus concinnus* (bajada lupine) - [Uncommon]
- Lupinus excubitus* (grape soda lupine) - [Unknown]
- Lupinus formosus* var. *fornosus* (summer lupine) - [Uncommon]
- Lupinus hirsutissimus* (stinging lupine) - [Uncommon]
- Lupinus latifolius* var. *latifolius* (broad-leaved lupine) - [Uncommon]
- Lupinus latifolius* var. *parishii* (broadleaf lupine) - [Unknown]
- Lupinus longifolius* (bush lupine) - [Common]
- Lupinus microcarpus* var. *microcarpus* (valley lupine) - [Rare]
- Lupinus nanus* (sky lupine) - [Rare]
- Lupinus sparsiflorus* (Coulter's lupine) - [Uncommon]
- Lupinus succulentus* (arroyo lupine, foothill lupine) - [Uncommon]
- Lupinus truncatus* (collar lupine) - [Uncommon]
- Medicago lupulina* (black medic) * - [Uncommon]
- Medicago polymorpha* (bur-clover) * - [Common]
- Medicago sativa* (alfalfa) * - [Uncommon]
- Melilotus alba* (white sweetclover) * - [Common]
- Melilotus indica* (sourclover) * - [Common]
- Melilotus officinalis* (yellow sweet-clover) * - [Unknown]
- Pickeringia montana* var. *montana* (chaparral-pea) - [Uncommon]
- Robinia pseudoacacia* (black locust) * - [Unknown]
- Rupertia physodes* (California-tea) - [Uncommon]
- Spartium junceum* (Spanish-broom) * - [Common]
- Trifolium albobiprereum* (rancheria clover) - [Rare]
- Trifolium ciliolatum* (tree clover) - [Uncommon]
- Trifolium depauperatum* (pale sack clover) - [Uncommon]
- Trifolium fucatum* (sour clover) - [Uncommon]
- Trifolium gracilentum* var. *gracilentum* (pin-point clover) - [Uncommon]
- Trifolium hirtum* (rose clover) * - [Unknown]
- Trifolium incarnatum* (crimson clover) * - [Uncommon]
- Trifolium microcephalum* (small-headed clover) - [Uncommon]
- Trifolium obtusiflorum* (creek clover) - [Uncommon]
- Trifolium pratense* (red clover) * - [Unknown]
- Trifolium repens* (white clover) * - [Common]
- Trifolium variegatum* (white-tipped clover) - [Uncommon]
- Trifolium willdenovii* (tomcat clover) - [Uncommon]
- Vicia americana* var. *americana* (American vetch) - [Common]
- Vicia benghalensis* (purple vetch) - [Unknown]
- Vicia hassei* (slim vetch) - [Rare]
- Vicia ludoviciana* (slender vetch) - [Unknown]
- Vicia sativa* (spring vetch) * - [Uncommon]
- Vicia sativa* spp. *nigra* (narrow-leaved vetch) - [Unknown]
- Vicia sativa* ssp. *sativa* (garden vetch) * - [Unknown]
- Vicia villosa* ssp. *varia* (purple vetch) * - [Uncommon]
- Vicia villosa* ssp. *villosa* (winter vetch) * - [Rare]

FAGACEAE

- Quercus agrifolia* var. *agrifolia* (coast live oak) - [Common]

CATEGORY DEFINITION

Abundance

Abundant	Large number of individuals; wide ecological amplitude or occurring in habitats covering a large portion of the park.
Common	Large numbers of individuals predictably occurring in commonly encountered habitats but not those covering a large portion of the park.
Uncommon	Few to moderate numbers of individuals; occurring either sporadically in commonly encountered habitats or in uncommon habitats.
Rare	Few individuals, usually restricted to small areas of rare habitat.
Unknown	Abundance is unknown.

FAMILY NAME

Scientific Name (Common Name) (* = non-native) - [Abundance]

FAGACEAE

- Quercus berberidifolia* (scrub oak) - [Common]
- Quercus chrysolepis* - [Unknown]
- Quercus douglasii* (blue oak) - [Unknown]
- Quercus lobata* (valley oak) - [Common]
- Quercus wislizeni* var. *frutescens* (interior live oak) - [Rare]

FRANKENIACEAE

- Frankenia salina* (alkali heath) - [Uncommon]

GARRYACEAE

- Garrya veatchii* (silk-tassel bush) - [Uncommon]

GENTIANACEAE

- Centaurium exaltatum* (Great Basin centaurium) - [Unknown]
- Centaurium venustum* (canchalagua) - [Uncommon]

GERANIACEAE

- Erodium botrys* (long-beaked filaree) * - [Common]
- Erodium brachycarpum* (filaree) * - [Uncommon]
- Erodium cicutarium* (red-stem filaree) * - [Common]
- Erodium macrophyllum* (white-flowered filaree) * - [Rare]
- Erodium moschatum* (white-stemmed filaree) * - [Uncommon]
- Geranium carolinianum* (Carolina geranium) - [Common]
- Geranium dissectum* * - [Unknown]
- Geranium molle* (dove's foot geranium) * - [Uncommon]
- Geranium rotundifolium* (round-leaved cranesbill) * - [Uncommon]

GROSSULARIACEAE

- Ribes aureum* var. *gracillimum* (golden currant) - [Uncommon]
- Ribes californicum* var. *hesperium* (hillside gooseberry) - [Common]
- Ribes indecorum* (white chaparral current) - [Common]
- Ribes malvaceum* * - [Unknown]
- Ribes malvaceum* var. *malvaceum* - [Unknown]
- Ribes malvaceum* var. *viridifolium* (chaparral currant) - [Common]
- Ribes speciosum* (fuchsia-flowered gooseberry) - [Common]

HYDROPHYLLACEAE

- Emmenanthe penduliflora* (whispering bells) - [Unknown]
- Emmenanthe penduliflora* var. *penduliflora* (whispering bells) - [Uncommon]
- Eriodictyon crassifolium* var. *crassifolium* (yerba santa) - [Uncommon]
- Eriodictyon crassifolium* var. *nigrescens* - [Unknown]
- Eriodictyon trichocalyx* var. *trichocalyx* - [Unknown]
- Eucrypta chrysanthemifolia* - [Unknown]
- Eucrypta chrysanthemifolia* var. *chrysanthemifolia* (eucrypta) - [Common]
- Nama stenocarpum* (mud nama) - [Rare]
- Nemophila menziesii* (baby blue-eyes) - [Uncommon]
- Nemophila menziesii* var. *integrifolia* - [Unknown]

HYDROPHYLLACEAE

- Nemophila pedunculata* (meadow nemophila) - [Uncommon]
- Phacelia brachyloba* (yellow-throated phacelia) - [Uncommon]
- Phacelia cicutaria* var. *hispida* (catepillar phacelia) - [Common]
- Phacelia cicutaria* var. *hubbyi* - [Unknown]
- Phacelia distans* (fern-leaf phacelia) - [Common]
- Phacelia douglasii* (Douglas' phacelia) - [Uncommon]
- Phacelia egena* (California phacelia) - [Unknown]
- Phacelia grandiflora* (large-flowered phacelia) - [Common]
- Phacelia imbricata* ssp. *imbricata* (mountain phacelia) - [Uncommon]
- Phacelia longipes* (long-stalked phacelia) - [Rare]
- Phacelia minor* (California bells) - [Uncommon]
- Phacelia parryi* (Parry's phacelia) - [Uncommon]
- Phacelia ramosissima* - [Uncommon]
- Phacelia ramosissima* var. *austrolitoralis* (branching phacelia) - [Uncommon]
- Phacelia ramosissima* var. *latifolia* (branching phacelia) - [Uncommon]
- Phacelia tanacetifolia* (fern-leaf phacelia) - [Common]
- Phacelia viscida* (sticky phacelia) - [Uncommon]
- Pholistoma auritum* var. *auritum* (fiesta flower) - [Common]
- Pholistoma racemosum* (white flower fiesta) - [Rare]
- Wigandia urens* * - [Unknown]

HYPERICACEAE

- Hypericum concinnum* - [Unknown]

JUGLANDACEAE

- Juglans californica* var. *californica* (walnut) - [Common]

LAMIACEAE

- Lamium amplexicaule* (henbit) * - [Uncommon]
- Lepechinia fragrans* (pitcher sage) - [Uncommon]
- Marrubium vulgare* (horehound) * - [Common]
- Mentha arvensis* (tule mint) - [Uncommon]
- Mentha piperita* * - [Unknown]
- Mentha pulegium* (pennyroyal) * - [Uncommon]
- Mentha spicata* (spearmint) * - [Uncommon]
- Monardella hypoleuca* ssp. *hypoleuca* (monardella) - [Uncommon]
- Monardella lanceolata* (mustang mint) - [Uncommon]
- Prunella vulgaris* - [Unknown]
- Salvia apiana* (white sage) - [Common]
- Salvia columbariae* (chia) - [Common]
- Salvia leucophylla* (purple sage) - [Common]
- Salvia mellifera* (black sage) - [Common]
- Salvia spathacea* (pitcher sage) - [Common]
- Satureja douglasii* (yerba buena) - [Uncommon]
- Scutellaria siphocampyloides* - [Uncommon]
- Scutellaria tuberosa* (skullcap) - [Uncommon]
- Stachys ajugoides* var. *rigida* (rigid hedge nettle) - [Uncommon]
- Stachys albens* (white hedge nettle) - [Uncommon]

FAMILY NAME

Scientific Name (Common Name) (* = non-native) - [Abundance]

LAMIACEAE

- Stachys bullata* (hedge nettle) - [Common]
- Trichostema lanatum* (woolly blue-curly) - [Uncommon]
- Trichostema lanceolatum* (vinegar weed) - [Uncommon]

LAURACEAE

- Umbellularia californica* var. *californica* (California bay) - [Common]

LENNOACEAE

- Pholisma arenarium* - [Uncommon]

LINACEAE

- Hesperolinon micranthum* (small-flowered dwarf-flax) - [Uncommon]
- Linum grandiflorum* (flowering flax) * - [Unknown]

LOASACEAE

- Mentzelia micrantha* (blazing star, stick-leaf) - [Uncommon]

LYTHRACEAE

- Ammannia coccinea* (long-leaved ammania) - [Uncommon]
- Lythrum californicum* (California loosestrife) - [Uncommon]
- Lythrum hyssopifolium* - [Uncommon]
- Rotala ramosior* - [Unknown]

MALVACEAE

- Lavatera arborea* * - [Rare]
- Lavatera assurgentiflora* (tree-mallow) * - [Uncommon]
- Lavatera cretica* - [Unknown]
- Malacothamnus fasciculatus* (bush mallow) - [Common]
- Malva nicaeensis* (bull mallow) * - [Uncommon]

MALVACEAE

- Malva parviflora* (cheeseweed) * - [Common]
- Malvella leprosa* (alkali-mallow) - [Uncommon]
- Modiola caroliniana* (bristly mallow) * - [Uncommon]
- Sidalcea malviflora* ssp. *malviflora* (checkerbloom) - [Uncommon]
- Sidalcea malviflora* ssp. *sparsifolia* (checker bloom) - [Uncommon]

MARTYNIACEAE

- Proboscidea louisianica* (unicorn-plant) * - [Rare]

MYOPORACEAE

- Myoporum laetum* * - [Unknown]

MYRICACEAE

- Myrica californica* (California wax-myrtle) - [Rare]

MYRTACEAE

- Eucalyptus camaldulensis* (river red gum) * - [Unknown]
- Eucalyptus globulus* (blue gum) * - [Uncommon]

NYCTAGINACEAE

- Abronia maritima* (red sand verbena) - [Uncommon]
- Abronia umbellata* ssp. *umbellata* (pink sand verbena) - [Uncommon]

NYCTAGINACEAE

- Mirabilis californica* (four o'clock) - [Common]

NYMPHAEACEAE

- Nuphar lutea* ssp. *polysepala* (woks, yellow pond-lily) * - [Uncommon]

OLEACEAE

- Fraxinus dipetala* (chaparral flowering ash) - [Uncommon]
- Fraxinus uhdei* (shamel ash) * - [Uncommon]
- Fraxinus velutina* (Arizona ash) - [Uncommon]

ONAGRACEAE

- Camissonia bistorta* (sun-cup) - [Uncommon]
- Camissonia boothii* ssp. *decorticans* (shredding primrose) - [Rare]
- Camissonia californica* (mustard evening primrose) - [Uncommon]
- Camissonia cheiranthifolia* ssp. *suffruticosa* (beach evening primrose) - [Uncommon]
- Camissonia hirtella* - [Common]
- Camissonia ignota* - [Rare]
- Camissonia intermedia* - [Common]
- Camissonia lewisii* (Lewis' evening primrose) - [Rare]
- Camissonia micrantha* (small evening primrose) - [Rare]
- Camissonia strigulosa* (contorted evening primrose) - [Uncommon]
- Clarkia bottae* (farewell-to-spring) - [Common]
- Clarkia cylindrica* (speckled clarkia) - [Uncommon]
- Clarkia cylindrica* ssp. *cylindrica* - [Unknown]
- Clarkia epilobioides* (willow-herb clarkia) - [Uncommon]
- Clarkia purpurea* ssp. *quadrivulnera* (purple clarkia) - [Uncommon]
- Clarkia unguiculata* (elegant clarkia) - [Common]
- Epilobium brachycarpum* (field willow-herb) - [Rare]
- Epilobium canum* - [Unknown]
- Epilobium canum* ssp. *angustifolium* - [Unknown]
- Epilobium canum* ssp. *canum* (California fuschia) - [Common]
- Epilobium ciliatum* ssp. *ciliatum* (willow-herb) - [Uncommon]
- Epilobium pygmaeum* (smooth boisduvalia) - [Uncommon]
- Gaura coccinea* (linda tarde, wild honeysuckle) - [Unknown]
- Gaura sinuata* (wavy-leaved gaura) - [Unknown]
- Ludwigia palustris* - [Unknown]
- Ludwigia peploides* ssp. *peploides* (yellow water-weed) - [Uncommon]
- Oenothera biennis* (common evening primrose) * - [Unknown]
- Oenothera californica* ssp. *californica* (California evening primrose) - [Rare]
- Oenothera elata* ssp. *hirsutissima* (Hooker's evening primrose) - [Rare]
- Oenothera speciosa* (pinkladies) * - [Unknown]

OROBANCHACEAE

- Orobanche bulbosa* (chaparral broomrape) - [Rare]
- Orobanche californica* - [Unknown]

CATEGORY DEFINITION

Abundance

Abundant	Large number of individuals; wide ecological amplitude or occurring in habitats covering a large portion of the park.
Common	Large numbers of individuals predictably occurring in commonly encountered habitats but not those covering a large portion of the park.
Uncommon	Few to moderate numbers of individuals; occurring either sporadically in commonly encountered habitats or in uncommon habitats.
Rare	Few individuals, usually restricted to small areas of rare habitat.
Unknown	Abundance is unknown.

FAMILY NAME

Scientific Name (Common Name) (* = non-native) - [Abundance]

OROBANCHACEAE

- Orobanche californica* ssp. *grandis* - [Rare]
- Orobanche fasciculata* (clustered broomrape) - [Rare]
- Orobanche uniflora* (naked broomrape) - [Rare]
- Orobanche vallicola* - [Rare]

OXALIDACEAE

- Oxalis albicans* ssp. *californica* (oxalis) - [Common]
- Oxalis corniculata* (weedy oxalis) * - [Uncommon]
- Oxalis pes-caprae* (Bermuda buttercup) * - [Common]
- Oxalis rubra* (rose oxalis) * - [Uncommon]

PAEONIACEAE

- Paeonia californica* (peony) - [Common]

PAPAVERACEAE

- Argemone munita* (prickly poppy) - [Unknown]
- Dendromecon rigida* (tree poppy) - [Common]
- Dicentra ochroleuca* (bleeding heart) - [Uncommon]
- Eschscholzia caespitosa* (collarless California poppy) - [Uncommon]
- Eschscholzia californica* (California poppy) - [Common]
- Meconella denticulata* (small-flowered meconella) - [Uncommon]
- Papaver californicum* (fire poppy) - [Uncommon]
- Platystemon californicus* (cream cups) - [Uncommon]
- Romneya coulteri* (matilija poppy) * - [Uncommon]
- Romneya trichocalyx* (hairy Matilija poppy) - [Unknown]
- Stylomecon heterophylla* (wind poppy) - [Uncommon]

PLANTAGINACEAE

- Plantago coronopus* (buckhorn plantain) * - [Unknown]
- Plantago erecta* (California plantain) - [Uncommon]
- Plantago lanceolata* (english plantain, ribwort) * - [Uncommon]
- Plantago major* (common plantain) * - [Common]

PLATANACEAE

- Platanus racemosa* (plane tree, sycamore) - [Common]

PLUMBAGINACEAE

- Limonium californicum* (western marsh-rosemary) - [Uncommon]
- Limonium perezii* (marsh-rosemary) * - [Uncommon]

POLEMONIACEAE

- Allophylllum divaricatum* (purple false gilyflower) - [Unknown]
- Allophylllum glutinosum* (stinky gilia) - [Uncommon]
- Eriastrum densifolium* ssp. *elongatum* (perennial wool star) - [Rare]
- Eriastrum filifolium* - [Uncommon]
- Eriastrum sapphirinum* (sapphire wool star) - [Uncommon]
- Gilia angelensis* (angel's gilia) - [Common]
- Gilia australis* (splendid gilia) - [Unknown]
- Gilia capitata* ssp. *abrotanifolia* (globe gilia) - [Uncommon]
- Gilia clivorum* (purplespot gilia) - [Common]
- Gilia splendens* (splendid gilia) - [Rare]

POLEMONIACEAE

- Leptodactylon californicum* (prickly phlox) - [Common]
- Leptodactylon californicum* ssp. *californicum* (California prickly phlox) - [Common]
- Leptodactylon californicum* ssp. *glandulosum* (California prickly phlox) - [Unknown]
- Linanthus dianthiflorus* (ground-pink) - [Uncommon]
- Linanthus liniflorus* (flax-flowered linanthus) - [Uncommon]
- Linanthus parviflorus* (linanthus) - [Uncommon]
- Linanthus pygmaeus* ssp. *continentalis* - [Unknown]
- Navarretia atractyloides* - [Unknown]
- Navarretia hamata* (hooked navarretia) - [Uncommon]
- Navarretia mellita* - [Uncommon]
- Navarretia pubescens* (downy navarretia) - [Uncommon]
- Phlox gracilis* (slender phlox) - [Uncommon]
- Phlox gracilis* ssp. *gracilis* (slender phlox) - [Rare]

POLYGALACEAE

- Polygala cornuta* (milkwort) - [Uncommon]
- Polygala cornuta* var. *fishiae* (milkwort) - [Unknown]

POLYGONACEAE

- Chorizanthe parryi* var. *fernandina* (San Fernando Valley spineflower) - [Rare]
- Chorizanthe parryi* var. *parryi* (Parry's spineflower) - [Rare]
- Chorizanthe staticoides* (turkish rugging) - [Uncommon]
- Chorizanthe wheeleri* (Wheeler's spineflower) - [Uncommon]
- Emex spinosa* (devil's thorn) * - [Uncommon]
- Eriogonum angulosum* - [Unknown]

POLYGONACEAE

- Eriogonum cinereum* (ashyleaf buckwheat) - [Common]
- Eriogonum citharifforme* (cithara buckwheat) - [Uncommon]
- Eriogonum crocatum* (Conejo Buckwheat) - [Rare]
- Eriogonum elongatum* var. *elongatum* (wand buckwheat) - [Common]
- Eriogonum fasciculatum* var. *fasciculatum* (California buckwheat) - [Abundant]
- Eriogonum fasciculatum* var. *foliolosum* (California buckwheat) - [Uncommon]
- Eriogonum gracile* var. *gracile* (slender buckwheat) - [Rare]
- Eriogonum parvifolium* (sea-cliff buckwheat) - [Uncommon]
- Eriogonum roseum* - [Unknown]
- Eriogonum wrightii* var. *membranaceum* (Wright's buckwheat) - [Uncommon]
- Lastarriaea coriacea* (spine-flower) - [Rare]
- Mucronea californica* (California chorizanthe) - [Uncommon]
- Polygonum amphibium* var. *emersum* (water smartweed) - [Uncommon]
- Polygonum arenastrum* (knotweed) * - [Uncommon]
- Polygonum argyrocoleon* (Persian knotweed) * - [Rare]
- Polygonum hydropiperoides* (waterpepper) - [Uncommon]
- Polygonum lapathifolium* (willow-weed) - [Uncommon]
- Polygonum patulum* (Bellard's smartweed) * - [Unknown]
- Polygonum punctatum* (water smartweed) - [Uncommon]
- Pterostegia drymarioides* (thread stem) - [Uncommon]

CATEGORY DEFINITION

Abundance

Abundant	Large number of individuals; wide ecological amplitude or occurring in habitats covering a large portion of the park.
Common	Large numbers of individuals predictably occurring in commonly encountered habitats but not those covering a large portion of the park.
Uncommon	Few to moderate numbers of individuals; occurring either sporadically in commonly encountered habitats or in uncommon habitats.
Rare	Few individuals, usually restricted to small areas of rare habitat.
Unknown	Abundance is unknown.

Santa Monica Mountains National Recreation Area Vascular Plant Species List

(as derived from NPSpecies 18 Dec 2006)

FAMILY NAME

Scientific Name (Common Name) (* = non-native) - [Abundance]

POLYGONACEAE

- Rumex acetosella (sheep sorrel) * - [Rare]
- Rumex conglomeratus * - [Common]
- Rumex crispus (curly dock) * - [Common]
- Rumex kernerii * - [Uncommon]
- Rumex maritimus (golden dock) * - [Rare]
- Rumex salicifolius (willow dock) - [Common]
- Rumex salicifolius var. crassus (willow dock) - [Uncommon]
- Rumex salicifolius var. salicifolius (willow dock) - [Common]
- Rumex violascens (violet dock) - [Unknown]

PORTULACACEAE

- Calandrinia breweri (Brewer's red maids) - [Uncommon]
- Calandrinia ciliata (red maids) - [Uncommon]
- Calandrinia maritima (seaside red maids) - [Rare]
- Calyptidium monardrum (sand cress) - [Uncommon]
- Claytonia exigua ssp. exigua (serpentine springbeauty) - [Unknown]
- Claytonia perfoliata (miner's lettuce) - [Common]
- Claytonia perfoliata ssp. mexicana (miner's lettuce) - [Common]
- Claytonia perfoliata ssp. perfoliata (miner's lettuce) - [Common]
- Lewisia rediviva (bitterroot) - [Uncommon]
- Portulaca oleracea (purslane) * - [Common]

PRIMULACEAE

- Anagallis arvensis (scarlet pimpernel) * - [Uncommon]
- Dodecatheon clelandii (shooting star) - [Uncommon]
- Dodecatheon clelandii ssp. clelandii (shooting star) - [Uncommon]
- Dodecatheon clelandii ssp. sanctarum (shooting star) - [Uncommon]
- Samolus parviflorus (water pimpernel) - [Uncommon]

RANUNCULACEAE

- Clematis lasiantha (virgin's blower) - [Common]
- Clematis ligusticifolia (western virgin's blower) - [Uncommon]
- Delphinium cardinale (scarlett larkspur) - [Common]
- Delphinium parryi - [Common]
- Delphinium parryi ssp. blochmaniae (Blochman's larkspur) - [Rare]
- Delphinium parryi ssp. maritimum - [Unknown]
- Delphinium parryi ssp. parryi (blue larkspur) - [Uncommon]
- Delphinium patens ssp. hepaticoideum (blue larkspur) - [Common]
- Ranunculus aquatilis - [Unknown]
- Ranunculus californicus (California buttercup) - [Uncommon]
- Ranunculus cymbalaria var. saximontanus (desert buttercup) - [Rare]
- Ranunculus hebecarpus (hairy-fruited buttercup) - [Uncommon]
- Ranunculus repens (creeping buttercup) * - [Uncommon]
- Thalictrum fendleri var. polycarpum (meadow rue) - [Uncommon]

RESEDACEAE

- Oligomeris linifolia (oligomeris) * - [Rare]

RHAMNACEAE

- Ceanothus crassifolius (hoary-leaved ceanothus) - [Common]
- Ceanothus cuneatus var. cuneatus (buck brush) - [Uncommon]
- Ceanothus leucodermis (white thorn) - [Rare]
- Ceanothus megacarpus var. megacarpus (big-pod ceanothus) - [Common]
- Ceanothus oliganthus (hairy-leaved ceanothus) - [Uncommon]
- Ceanothus oliganthus ssp. oliganthus (explorer's bush) - [Unknown]
- Ceanothus oliganthus var. sorediatus (hairy-leaved ceanothus) - [Uncommon]
- Ceanothus spinosus (greenbark ceanothus, red-heart) - [Common]
- Ceanothus tomentosus var. olivaceus - [Unknown]
- Rhamnus californica ssp. californica (California coffeeberry) - [Uncommon]
- Rhamnus crocea (buckthorn) - [Uncommon]
- Rhamnus ilicifolia (hollyleaf redberry) - [Common]
- Rhamnus tomentella ssp. tomentella (hoary coffeeberry) - [Unknown]

ROSACEAE

- Adenostoma fasciculatum (chamise, greasewood) - [Abundant]
- Adenostoma sparsifolium (redshank) - [Uncommon]
- Aphanes occidentalis (lady's mantle) - [Uncommon]
- Cercocarpus betuloides var. betuloides - [Common]
- Cercocarpus betuloides var. blanchae (mountain mahogany) - [Rare]
- Chamaebatia australis (southern mountain misery) - [Rare]
- Heteromeles arbutifolia (California christmas berry, toyon) - [Common]
- Holodiscus discolor (ocean spray) - [Rare]
- Horkelia cuneata ssp. cuneata - [Rare]
- Potentilla anserina ssp. pacifica (silverweed) - [Rare]
- Potentilla glandulosa ssp. glandulosa (sticky cinquefoil) - [Uncommon]
- Prunus caroliniana * - [Unknown]
- Prunus ilicifolia ssp. ilicifolia (holly-leaved cherry) - [Common]
- Pyracantha angustifolia (firethorn) * - [Uncommon]
- Rosa californica (California rose) - [Uncommon]
- Rubus discolor (Himalaya berry) * - [Uncommon]
- Rubus ursinus (California blackberry) - [Uncommon]
- Sanguisorba minor (burnet) * - [Rare]
- Sanguisorba minor ssp. muricata (burnet) * - [Rare]

RUBIACEAE

- Galium andrewsii ssp. intermedium (phlox-leaved bedstraw) - [Uncommon]

CATEGORY DEFINITION

Abundance

Abundant	Large number of individuals; wide ecological amplitude or occurring in habitats covering a large portion of the park.
Common	Large numbers of individuals predictably occurring in commonly encountered habitats but not those covering a large portion of the park.
Uncommon	Few to moderate numbers of individuals; occurring either sporadically in commonly encountered habitats or in uncommon habitats.
Rare	Few individuals, usually restricted to small areas of rare habitat.
Unknown	Abundance is unknown.

FAMILY NAME

Scientific Name (Common Name) (* = non-native) - [Abundance]

RUBIACEAE

- Galium angustifolium* (narrow-leaf bedstraw) - [Common]
- Galium angustifolium* ssp. *angustifolium* (narrow-leaved bedstraw) - [Common]
- Galium angustifolium* ssp. *foliosum* (narrow-leaved bedstraw) - [Uncommon]
- Galium aparine* (annual bedstraw) - [Common]
- Galium californicum* ssp. *flaccidum* (California bedstraw) - [Unknown]
- Galium cliffsmithii* (shrubby bedstraw) - [Uncommon]
- Galium nuttallii* ssp. *nuttallii* (climbing bedstraw) - [Common]
- Galium parisiense* (wall bedstraw) - [Unknown]
- Sherardia arvensis* (field madder) * - [Uncommon]

RUTACEAE

- Ruta chalepensis* (rue) * - [Rare]

SALICACEAE

- Populus balsamifera* ssp. *trichocarpa* (black cottonwood) - [Uncommon]
- Populus fremontii* ssp. *fremontii* (fremont cottonwood) - [Uncommon]
- Populus nigra* (Lombardy poplar) * - [Unknown]
- Salix exigua* var. *hindsiana* (sandbar willow) - [Uncommon]
- Salix gooddingii* (Goodding's black willow) - [Unknown]
- Salix laevigata* (red willow) - [Common]
- Salix lasiolepis* (arroyo willow) - [Common]
- Salix lucida* ssp. *lasiandra* (shining willow) - [Rare]

SAURURACEAE

- Anemopsis californica* (yerba mansa) - [Uncommon]

SAXIFRAGACEAE

- Boykinia occidentalis* (coast boykinia) - [Uncommon]
- Boykinia rotundifolia* (round-leaved boykinia) - [Uncommon]
- Lithophragma affine* (woodland star) - [Common]
- Lithophragma heterophyllum* (hillside woodland-star) - [Unknown]
- Saxifraga californica* (saxifrage) - [Uncommon]

SCROPHULARIACEAE

- Antirrhinum coulterianum* - [Uncommon]
- Antirrhinum kelloggii* (twining snapdragon) - [Uncommon]
- Antirrhinum multiflorum* (bush snapdragon) - [Uncommon]
- Antirrhinum nuttallianum* (violet snapdragon) - [Uncommon]
- Antirrhinum nuttallianum* ssp. *sessile* - [Unknown]
- Castilleja affinis* ssp. *affinis* (coast paintbrush) - [Common]
- Castilleja applegatei* ssp. *martinii* (indian paintbrush) - [Uncommon]
- Castilleja densiflora* ssp. *densiflora* (owl's clover) - [Rare]
- Castilleja exserta* ssp. *exserta* (purple's owl clover) - [Uncommon]
- Castilleja foliolosa* (woolly paintbrush) - [Uncommon]
- Castilleja minor* ssp. *spiralis* (annual paintbrush, California threadtorch) - [Uncommon]
- Collinsia heterophylla* (Chinese houses) - [Uncommon]
- Collinsia parryi* (blue-eyed mary) - [Rare]

SCROPHULARIACEAE

- Cordylanthus maritimus* ssp. *maritimus* (salt-marsh bird's beak) - [Uncommon]
- Cordylanthus mollis* ssp. *hispidus* (hispid bird's-beak) * - [Rare]
- Cordylanthus rigidus* ssp. *setigerus* (bird's beak) - [Uncommon]
- Diplacus aurantiacus* ssp. *aurantiacus* - [Unknown]
- Galvezia speciosa* (showy island snapdragon) - [Uncommon]
- Keckiella cordifolia* (heart-leaved penstemon) - [Common]
- Kickxia elatine* (fluellin) * - [Unknown]
- Linaria canadensis* (blue toadflax) - [Uncommon]
- Linaria pinifolia* (garden toadflax) * - [Rare]
- Mimulus androsaceus* - [Unknown]
- Mimulus aurantiacus* - [Common]
- Mimulus bigelovii* (Bigelow's monkeyflower) * - [Unknown]
- Mimulus brevipes* (yellow monkey flower) - [Uncommon]
- Mimulus cardinalis* (scarlet monkey flower) - [Uncommon]
- Mimulus floribundus* (slimy monkey flower) - [Rare]
- Mimulus guttatus* (creek monkey flower) - [Uncommon]
- Mimulus pilosus* (downy monkey flower) - [Rare]
- Pedicularis densiflora* (indian warrior) - [Uncommon]
- Penstemon centranthifolius* (scarlett buglar) - [Uncommon]

SCROPHULARIACEAE

- Penstemon heterophyllus* var. *australis* (foothill penstemon) - [Uncommon]
- Penstemon spectabilis* var. *subviscosus* (notable penstemon, snowy penstemon) - [Uncommon]
- Penstemon X parishii* (hybrid scarlet buglar) - [Uncommon]
- Scrophularia californica* ssp. *californica* (figwort) - [Uncommon]
- Scrophularia californica* ssp. *floribunda* (California figwort) * - [Unknown]
- Verbascum thapsus* (wooly mullein) * - [Uncommon]
- Verbascum virgatum* (moth mullein) * - [Common]
- Veronica anagallis-aquatica* (speedwell) * - [Uncommon]
- Veronica persica* (Persian speedwell) * - [Uncommon]

SIMAROUBACEAE

- Ailanthus altissima* (tree-of-heaven) * - [Uncommon]

SOLANACEAE

- Datura stramonium* (jimson-weed) * - [Uncommon]
- Datura wrightii* (*datura*, *rolguacha*) - [Common]
- Lycium californicum* (California desert-thorn, California boxthorn) - [Rare]
- Lycopersicon esculentum* (tomato) * - [Uncommon]
- Nicotiana clevelandii* * - [Unknown]
- Nicotiana glauca* (tree tobacco) * - [Common]
- Nicotiana quadrivalvis* (Indian tobacco) - [Rare]
- Petunia parviflora* (wild petunia) - [Uncommon]
- Salpichroa origanifolia* (lily-of-the-valley vine) * - [Uncommon]
- Solanum americanum* (little white nightshade) - [Uncommon]
- Solanum aviculare* (New Zealand nightshade) * - [Unknown]

FAMILY NAME

Scientific Name (Common Name) (* = non-native) - [Abundance]

SOLANACEAE

- Solanum douglasii (white nightshade) - [Common]
- Solanum elaeagnifolium (silverleaf-nettle) * - [Uncommon]
- Solanum rostratum (buffalo-bur) * - [Uncommon]
- Solanum sarrachoides (hairy nightshade) * - [Uncommon]
- Solanum umbelliferum (bluewitch nightshade) - [Unknown]
- Solanum xanti (purple nightshade) - [Common]

STERCULIACEAE

- Fremontodendron californicum (flannelbush) - [Uncommon]

TAMARICACEAE

- Tamarix gallica (tamarisk) * - [Unknown]
- Tamarix parviflora (small-flower tamarisk) * - [Common]
- Tamarix ramosissima (tamarisk) * - [Uncommon]

TROPAEOLACEAE

- Tropaeolum majus (garden nasturtium) * - [Uncommon]

URTICACEAE

- Hesperocnide tenella (annual stinging nettle) - [Uncommon]
- Parietaria hespera var. californica (California pellitory) - [Uncommon]

URTICACEAE

- Parietaria hespera var. hespera (pellitory) - [Uncommon]
- Soleirolia soleirolii (baby-tears) * - [Uncommon]
- Urtica dioica ssp. holosericea (stinging nettle) - [Uncommon]
- Urtica urens (dwarf nettle) * - [Common]

VALERIANACEAE

- Centranthus ruber (red valerian) * - [Uncommon]
- Plectritis ciliosa ssp. insignis (long-spurred plectritic) - [Uncommon]

VERBENACEAE

- Phyla lanceolata (frog fruit) - [Uncommon]
- Phyla nodiflora var. incisa - [Unknown]
- Phyla nodiflora var. nodiflora - [Unknown]
- Phyla nodiflora var. rosea (garden lipia) * - [Uncommon]
- Verbena bracteata - [Unknown]
- Verbena lasiostachys (common vervain) - [Unknown]
- Verbena lasiostachys var. lasiostachys (common vervain) - [Uncommon]
- Verbena lasiostachys var. scabrida (robust vervain) - [Uncommon]
- Verbena menthifolia (mint vervain) - [Unknown]
- Verbena scabra (sandpaper vervain) - [Unknown]
- Verbena tenuisecta * - [Unknown]

VIOLACEAE

- Viola pedunculata (johnny jump-up, wild pansy) - [Uncommon]

VISCAEAE

- Phoradendron macrophyllum (sycamore mistletoe) - [Uncommon]
- Phoradendron villosum (oak mistletoe) - [Uncommon]

VITACEAE

- Parthenocissus inserta (Virginia creeper) * - [Uncommon]
- Vitis girdiana (grape) - [Uncommon]

ZYGOPHYLLACEAE

- Tribulus terrestris (puncture vine) * - [Uncommon]

AGAVACEAE

- Hesperoyucca whipplei (our Lord's candle) - [Abundant]
- Nolana cismontana - [Unknown]

ALISMATACEAE

- Alisma plantago-aquatica (water-plantain) - [Uncommon]
- Echinodorus berteroi (bur head) - [Uncommon]

ARECACEAE

- Phoenix canariensis (Canary Island date palm) * - [Unknown]
- Washingtonia filifera (California fan palm) * - [Unknown]
- Washingtonia robusta (Washington fan palm) * - [Unknown]

CYPERACEAE

- Carex barbarae - [Uncommon]
- Carex globosa - [Rare]
- Carex multicosata (manyrib sedge) - [Unknown]
- Carex praegracilis - [Uncommon]
- Carex senta - [Common]
- Carex spissa - [Uncommon]
- Carex triquetra - [Common]
- Cyperus acuminatus - [Unknown]
- Cyperus eragrostis - [Uncommon]
- Cyperus erythrorhizos - [Uncommon]
- Cyperus esculentus (yellow nut-grass) - [Rare]
- Cyperus involucratus (umbrella plant) * - [Uncommon]
- Cyperus niger - [Uncommon]
- Cyperus odoratus - [Uncommon]
- Cyperus rotundus (purple nut-grass) * - [Rare]
- Eleocharis macrostachya - [Uncommon]
- Eleocharis montevidensis - [Uncommon]
- Eleocharis parishii - [Uncommon]
- Eleocharis radicans - [Uncommon]
- Eleocharis rostellata - [Unknown]
- Scirpus acutus var. occidentalis (common tule) - [Rare]
- Scirpus americanus - [Uncommon]
- Scirpus californicus - [Uncommon]
- Scirpus cernuus - [Uncommon]
- Scirpus maritimus - [Uncommon]
- Scirpus microcarpus - [Rare]
- Scirpus pungens (common threesquare) - [Unknown]
- Scirpus robustus - [Unknown]

HYACINTHACEAE

- Chlorogalum parviflorum (smallflower soap plant) - [Unknown]
- Chlorogalum pomeridianum var. pomeridianum (soap plant) - [Common]

FAMILY NAME

Scientific Name (Common Name) (* = non-native) - [Abundance]

HYDROCHARITACEAE

- Najas flexilis* (water-nymph) - [Uncommon]
- Najas guadalupensis* - [Unknown]

IRIDACEAE

- Iris pseudacorus* - [Uncommon]
- Sisyrinchium bellum* (blue-eyed grass) - [Common]

JUNCACEAE

- Juncus acutus* ssp. *leopoldii* - [Common]
- Juncus balticus* - [Uncommon]
- Juncus bufonius* (toad rush) - [Unknown]
- Juncus bufonius* var. *bufonius* (toad rush) - [Uncommon]
- Juncus bufonius* var. *congestus* (toad rush) - [Unknown]
- Juncus effusus* var. *pacificus* - [Unknown]
- Juncus macrophyllus* - [Common]
- Juncus mexicanus* - [Uncommon]
- Juncus patens* - [Uncommon]
- Juncus phaeocephalus* var. *paniculatus* - [Uncommon]
- Juncus phaeocephalus* var. *phaeocephalus* (brownhead rush) - [Common]
- Juncus rugulosus* (wrinkled rush) - [Unknown]
- Juncus textilis* - [Uncommon]
- Juncus torreyi* - [Uncommon]
- Juncus xiphioides* - [Common]

JUNCAGINACEAE

- Triglochin concinna* var. *concinna* (arrow grass) - [Uncommon]

LEMNACEAE

- Lemna gibba* - [Rare]
- Lemna minor* - [Rare]
- Lemna trisulca* - [Rare]
- Lemna turionifera* - [Unknown]
- Lemna valdiviana* - [Uncommon]
- Wolffiella lingulata* - [Rare]

LILIACEAE

- Allium fimbriatum* var. *fimbriatum* - [Unknown]
- Allium haematochiton* (red-skinned onion) - [Common]
- Allium lacunosum* (pitted onion) - [Unknown]
- Allium peninsulare* var. *peninsulare* (peninsular onion) - [Uncommon]
- Asphodelus fistulosus* - [Unknown]
- Bloomeria crocea* (golden stars) - [Common]
- Brodiaea jolonensis* (wild brodiaea) - [Uncommon]
- Brodiaea terrestris* ssp. *kernensis* - [Uncommon]
- Calochortus albus* (fairy lantern, globe-lily) - [Uncommon]
- Calochortus catalinae* (Santa Catalina mariposa lily) - [Common]
- Calochortus clavatus* (clubhair mariposa lily) - [Uncommon]
- Calochortus clavatus* var. *pallidus* (yellow mariposa lily) - [Uncommon]
- Calochortus plummerae* (Plummer's mariposa lily) - [Uncommon]
- Calochortus splendens* (lilac mariposa lily) - [Uncommon]

LILIACEAE

- Calochortus venustus* (butterfly mariposa lily) - [Uncommon]
- Calochortus weedii* var. *vestus* (Weed's mariposa lily) - [Unknown]
- Dichelostemma capitatum* ssp. *capitatum* (blue dicks) - [Common]
- Fritillaria biflora* (chocolate lily, mission bells) - [Uncommon]
- Lilium humboldtii* ssp. *ocellatum* (Humboldt's lily) - [Uncommon]
- Muilla maritima* (sea muilla) - [Uncommon]

MELANTHIACEAE

- Zigadenus fremontii* (star lily) - [Uncommon]

ORCHIDACEAE

- Epipactis gigantea* (stream orchid) - [Uncommon]
- Piperia elegans* - [Unknown]
- Piperia unalascensis* (rein orchid) - [Uncommon]

POACEAE

- Achnatherum brachychaetum* (barkworth) * - [Unknown]
- Achnatherum coronatum* (crested stipa) - [Uncommon]
- Aegilops cylindrica* (jointed goatgrass) * - [Unknown]
- Agrostis exarata* - [Uncommon]
- Agrostis gigantea* (redtop, water bentgrass) * - [Unknown]
- Agrostis pallens* - [Uncommon]
- Agrostis stolonifera* (creeping bentgrass) * - [Uncommon]
- Agrostis viridis* * - [Common]
- Alopecurus saccatus* - [Unknown]
- Ammophila arenaria* (European beachgrass) * - [Uncommon]
- Andropogon glomeratus* var. *scabriglumis* (bushy bluestem) - [Uncommon]
- Aristida adscensionis* (six-week threeweed) - [Uncommon]
- Arundo donax* (giant reed) * - [Common]
- Avena barbata* (slender oat) * - [Common]
- Avena fatua* (wild oat) * - [Common]
- Avena sativa* (common oat) * - [Uncommon]
- Bothriochloa barbinodis* (cane bluestem) - [Uncommon]
- Brachypodium distachyon* * - [Unknown]
- Briza minor* (quakinggrass) * - [Rare]
- Bromus arizonicus* - [Uncommon]
- Bromus carinatus* (California brome) - [Common]
- Bromus carinatus* var. *carinatus* (California brome) - [Common]
- Bromus carinatus* var. *maritimus* - [Uncommon]
- Bromus catharticus* (rescue grass) * - [Uncommon]
- Bromus diandrus* (ripgut grass) * - [Common]
- Bromus hordeaceus* (soft brome, soft chess) * - [Common]
- Bromus laevipes* (Chinook brome, woodland brome) - [Uncommon]
- Bromus madritensis* (foxtail chess) * - [Unknown]
- Bromus madritensis* ssp. *madritensis* (foxtail chess) * - [Uncommon]
- Bromus madritensis* ssp. *rubens* (foxtail chess) * - [Common]
- Bromus sterilis* (poverty brome) * - [Unknown]

CATEGORY DEFINITION

Abundance

Abundant	Large number of individuals; wide ecological amplitude or occurring in habitats covering a large portion of the park.
Common	Large numbers of individuals predictably occurring in commonly encountered habitats but not those covering a large portion of the park.
Uncommon	Few to moderate numbers of individuals; occurring either sporadically in commonly encountered habitats or in uncommon habitats.
Rare	Few individuals, usually restricted to small areas of rare habitat.
Unknown	Abundance is unknown.

(as derived from NPSpecies 18 Dec 2006)

FAMILY NAME

Scientific Name (Common Name) (* = non-native) - [Abundance]

POACEAE

- Bromus tectorum* (cheat grass, downy brome) * - [Uncommon]
- Bromus trinitii* (Chilean chess) * - [Uncommon]
- Chloris gayana* (Rhodes grass) * - [Uncommon]
- Chloris virgata* (feather fingergrass) * - [Uncommon]
- Cortaderia jubata* * - [Uncommon]
- Cortaderia selloana* (pampas grass) * - [Common]
- Crypsis schoenoides* * - [Uncommon]
- Crypsis vaginiflora* (African pricklegrass) * - [Unknown]
- Cynodon dactylon* (Bermuda grass) * - [Common]
- Dactylis glomerata* (orchardgrass) * - [Rare]
- Digitaria ciliaris* * - [Uncommon]
- Digitaria ischaemum* (smooth crabgrass) * - [Rare]
- Digitaria sanguinalis* (hairy crab grass) * - [Unknown]
- Distichlis spicata* (salt grass) - [Common]
- Echinochloa colona* (bur head) * - [Uncommon]
- Echinochloa crus-galli* (barnyard grass) * - [Uncommon]
- Ehrharta calycina* * - [Uncommon]
- Ehrharta erecta* * - [Common]
- Elymus glaucus* ssp. *glaucus* (blue wildrye) - [Common]
- Elymus multisetus* (big squirrel tail) - [Rare]
- Elymus stebbinsii* - [Uncommon]
- Eragrostis barrelieri* * - [Uncommon]
- Eragrostis cilianensis* (stinkgrass) * - [Uncommon]
- Eragrostis hypnoides* (teal lovegrass) - [Rare]
- Eragrostis mexicana* ssp. *virescens* - [Uncommon]
- Festuca arundinacea* (tall fescue) * - [Uncommon]
- Festuca elmeri* - [Uncommon]
- Festuca pratensis* (meadow fescue) * - [Uncommon]
- Festuca rubra* (red fescue) - [Unknown]
- Gastridium phleoides* - [Unknown]
- Gastridium ventricosum* (nit grass) * - [Rare]
- Hordeum brachyantherum* ssp. *californicum* - [Uncommon]
- Hordeum intercedens* (little barley) - [Uncommon]
- Hordeum marinum* ssp. *gussoneanum* (Mediterranean barley) * - [Uncommon]
- Hordeum murinum* (bulbous barley) * - [Abundant]
- Hordeum murinum* ssp. *glaucum* (foxtail barley, hare barley) * - [Common]
- Hordeum murinum* ssp. *leporinum* (foxtail barley, hare barley) * - [Common]
- Hordeum vulgare* (common barley) * - [Common]
- Koeleria macrantha* (junegrass) - [Uncommon]
- Lamarckia aurea* (goldentop) * - [Occasional]
- Leptochloa fascicularis* (bearded sprangletop) - [Uncommon]
- Leptochloa uninervia* (Mexican sprangletop) - [Uncommon]
- Leymus condensatus* (giant ryegrass) - [Common]
- Leymus triticoides* (beardless wildrye) - [Uncommon]
- Lolium multiflorum* (Italian ryegrass) * - [Uncommon]
- Lolium perenne* (perennial ryegrass) * - [Uncommon]
- Lolium rigidum* ssp. *lepturoides* (Wimmera ryegrass) * - [Unknown]
- Lolium temulentum* (darnel) * - [Rare]
- Melica californica* (California melicgrass) - [Uncommon]

POACEAE

- Melica frutescens* (woody melic) - [Unknown]
- Melica imperfecta* (coast range melic) - [Common]
- Monanthochloe littoralis* - [Uncommon]
- Muhlenbergia asperifolia* (alkali muhly) - [Unknown]
- Muhlenbergia microsperma* (littleseed muhly) - [Uncommon]
- Muhlenbergia rigens* (deergrass) - [Rare]
- Nassella cernua* (nodding needlegrass) - [Uncommon]
- Nassella lepida* (foothill needlegrass) - [Common]
- Nassella pulchra* (purple needlegrass) - [Uncommon]
- Panicum capillare* (witchgrass) - [Uncommon]
- Panicum miliaceum* (broom-corn millet) * - [Uncommon]
- Parapholis incurva* (sickle grass) * - [Uncommon]
- Paspalum dilatatum* (dallis grass) * - [Uncommon]
- Paspalum distichum* (knotgrass) - [Uncommon]
- Pennisetum clandestinum* (kikuyu grass) * - [Uncommon]
- Pennisetum setaceum* (fountain grass) * - [Common]
- Pennisetum villosum* (feathertop) * - [Unknown]
- Phalaris aquatica* (harding grass) * - [Uncommon]
- Phalaris canariensis* (canary grass) * - [Uncommon]
- Phalaris caroliniana* (Carolina canarygrass) * - [Unknown]
- Phalaris minor* (littleseed canarygrass) * - [Uncommon]
- Phalaris paradoxa* (hood canarygrass) * - [Rare]
- Phleum pratense* (cultivated timothy) * - [Common]
- Phragmites australis* (common reed) - [Uncommon]
- Piptatherum miliaceum* (smilo grass) * - [Common]
- Poa annua* (annual bluegrass) * - [Uncommon]
- Poa bulbosa* (bulbous bluegrass) * - [Unknown]
- Poa howellii* - [Unknown]
- Poa palustris* (fowl bluegrass) - [Rare]
- Poa pratensis* ssp. *pratensis* (Kentucky bluegrass) * - [Common]
- Poa secunda* ssp. *secunda* (malpais bluegrass) - [Common]
- Polypogon elongatus* * - [Unknown]
- Polypogon interruptus* (ditch beard grass) - [Uncommon]
- Polypogon monspeliensis* (annual beard grass) * - [Common]
- Schismus arabicus* (Arabian schismus) - [Unknown]
- Schismus barbatus* (Mediterranean schismus) * - [Rare]
- Setaria adhaerens* * - [Unknown]
- Setaria gracilis* (knotroot bristlegrass) * - [Common]
- Setaria pumilla* * - [Rare]
- Sorghum halepense* (Johnson grass) * - [Common]
- Sporobolus indicus* (smutgrass) * - [Rare]
- Stenotaphrum secundatum* (St. Augustine grass) * - [Uncommon]
- Triticum aestivum* (wheat) * - [Uncommon]
- Vulpia bromoides* * - [Unknown]
- Vulpia microstachys* var. *ciliata* (small fescue) - [Rare]
- Vulpia microstachys* var. *confusa* - [Unknown]
- Vulpia microstachys* var. *microstachys* (small fescue) - [Unknown]
- Vulpia microstachys* var. *pauciflora* (small fescue) - [Uncommon]
- Vulpia myuros* (rat-tail fescue) * - [Uncommon]
- Vulpia myuros* var. *hirsuta* * - [Uncommon]

CATEGORY DEFINITION

Abundance

Abundant	Large number of individuals; wide ecological amplitude or occurring in habitats covering a large portion of the park.
Common	Large numbers of individuals predictably occurring in commonly encountered habitats but not those covering a large portion of the park.
Uncommon	Few to moderate numbers of individuals; occurring either sporadically in commonly encountered habitats or in uncommon habitats.
Rare	Few individuals, usually restricted to small areas of rare habitat.
Unknown	Abundance is unknown.

FAMILY NAME

Scientific Name (Common Name) (* = non-native) - [Abundance]

POACEAE

- Vulpia myuros* var. *myuros* (rat-rail fescue) * - [Uncommon]POACEAE
- Vulpia octoflora* var. *hirtella* - [Unknown]
- Vulpia octoflora* var. *octoflora* (sixweeks fescue) - [Rare]

POTAMOGETONACEAE

- Potamogeton crispus* (curled-leaf pondweed) * - [Rare]
- Potamogeton nodosus* (long-leaf pondweed) - [Unknown]
- Potamogeton pectinatus* (sego pondweed) - [Uncommon]
- Ruppia cirrhosa* (spiral ditchgrass) - [Unknown]
- Ruppia maritima* (ditch-grass) - [Uncommon]

TYPHACEAE

- Typha angustifolia* (narrow-leaved cat-tail) - [Unknown]
- Typha domingensis* (narrow-leaved cattail) - [Uncommon]
- Typha latifolia* (broad-leaved cattail) - [Common]

ZANNICHELLIACEAE

- Zannichellia palustris* (grass-wrack) - [Uncommon]

ZOSTERACEAE

- Phyllospadix scouleri* - [Uncommon]
- Phyllospadix torreyi* - [Uncommon]
- Zostera marina* (eel-grass) - [Uncommon]
