¹ Includes federally supported aid received through students.

² Includes appropriations, grants, contracts, and revenues associated with major federally funded research and development centers (FFRDC). Excludes Pell Grants.

³ Preliminary data.

⁴ Research institutions are committed to graduate education through the doctorate, and give high priority to research. Research I institutions receive \$40 million or more annually in federal support. Research II institutions receive between \$15.5 million and \$40 million annually.

⁵ Specialized institutions award baccalaureate or higher level degrees in specific fields of study.

⁶ Tribally controlled colleges are located on reservations and are members of the American Indian Higher Education Consortium.
