

Driving Directions

1) From North of the Golden Gate Bridge:

- Take the **Last Sausalito** exit off Highway 101, just before the Golden Gate Bridge.
- **Turn right** at the exit stop sign, and follow the road under Highway 101 to a second stop sign.
- Go straight** about 500 feet and look immediately for a left turn lane and a sign for "Marin Headlands."
- Go left** and wait for the green light before proceeding through the tunnel on Bunker Road.

From South of the Golden Gate Bridge:

- Just after you cross the Golden Gate Bridge,
- Take the **second exit** off Highway 101 at **Alexander Avenue** (after the Vista Point).
- Stay to your right**: do not turn left at the exit off-ramp and do not go underneath the freeway.
- Proceed about 500 feet** until you see a left turn lane and a sign for "Marin Headlands" (do not go down the hill into Sausalito).
- Turn left** and wait for the green light before proceeding through the tunnel on Bunker Road.

2) After the tunnel:

- Continue** slowly through the housing area (watch for speed bumps).
- Ignore various forks to the left; **always bear to the right** to make sure you stay on Bunker Road. Rodeo Lagoon is your next landmark.
- About halfway alongside the lagoon, the road forks at Old Bunker Road and you will want to **bear left** on Bunker Road towards the beach.

3) After the fork:

- Take your **second right**
- Turn left** at the One Way sign (at the third building on the left).
- The Fire Management Office is on this road, the fourth building on the left. Our building number is **1068**.
