RE: Request for Correction Concerning "Sampling and Analysis of Asbestos Fibers
on Filter Media to Support Exposure Assessments: Bench-Scale Testing"
(EPA/260R-02-008)

Dear Mr. Camplin:

I want to provide you with a status update regarding your April 24, 2008, Request for Correction submitted under the Environmental Protection Agency's Information Quality Guidelines. These guidelines state that EPA's goal is to respond to each request within 90 days of receipt, either by providing a decision on the request or if the request will require more than 90 days to resolve, informing the requestor that more time is required.

EPA's draft response to your request is in preparation. Additional time will be needed to finalize that response. We anticipate that a response will be forwarded to you within 90 days. Thank you for your interest in environmental information quality.

Sincerely,
