U.S. Department of the Interior

The history of Harpers Ferry has few parallels in the American drama. It is more than one event, one date, or one individual. It is multi-layered, involving a diverse number of people and events, decisions and actions that influenced the course of our nation's history. Visit Harpers Ferry and step into history.

The National Park Service cares for the special places saved by the American people so that all may experience our heritage.

Team Up to Care for Civil War History at Harpers Ferry

Saturday, April 7, is the eleventh annual Park Day. Please come help shape up the Schoolhouse Ridge Battlefield at Harpers Ferry National Historical Park. Starting at 9 a.m., volunteers will remove trash, fences, brush and downed timber in a continuing effort to open this area for visitors. Parking will be on site at the intersection of Bakerton Road and Highway 340. Park staff will be on site to coordinate the clean up. Volunteers should wear boots or sturdy shoes and be prepared to get dirty. Tools, trash bags and canvas gloves for adults will be provided by the park.

Park Day is an annual event sponsored by the Civil War Preservation Trust

(CWPT). It is an excellent opportunity to bring Civil War enthusiasts and community activists together in an effort to help keep our nation's Civil War heritage not only preserved, but also pristine, well kept, and cared for. This event will be held rain or shine. T-shirts provided by CWPT will be available to all volunteers.

Last year, Park Day sites had an average of 40 volunteers, donating an average of 225 man-hours. Join the fun and share the good feelings that come from doing your part! Join us on April 7th. For more information, contact Park Ranger, David Fox at 304-535-6282 or by e-mail at david_fox@nps.gov
