“(2) the term ‘transportation system’ means the Red Dog Mine Transportation System described in Exhibit B of the Agreement.

The charges to be made pursuant to paragraphs B(1) and D(27) of the Agreement against NANA’s land entitlements under this Act shall be reduced by an amount equivalent to the difference between that acreage conveyed pursuant to this subsection and the acreage that would have been conveyed to NANA pursuant to paragraph A(1) of the Agreement but for this subsection.

“(2) Notwithstanding the provisions of paragraph A(3) of the Agreement, the Secretary shall not convey to NANA any right, title and interest of the United States in the lands described in such paragraph A(3) and the Secretary shall make no charge to NANA’s remaining entitlements under this Act with respect to such lands. Such lands shall be retained in Federal ownership but shall be subject to the easement described in Exhibit D to the Agreement as

granted to NANA by this section had been conveyed to NANA pursuant to paragraph A(1) of the Agreement.

“(2) The Secretary of the Interior, acting through the National Park Service, shall monitor the construction, operation, maintenance, expansion and reclamation of the transportation system, as provided in the Agreement. Any complaint by any person or entity that any aspect of the construction, operation, maintenance, expansion or reclamation of the portion of the transportation system on the lands subject to the easement granted to NANA by this section is not in accordance with the terms and conditions specified in the Agreement shall be made to the Secretary in writing. The Secretary shall review any such complaint and shall provide to NANA or its successors or assigns and to the complainant a decision in writing on the complaint within 90 days of receipt thereof. “SEC. 35. (a) The terms and conditions of this section are solely applicable to the lands described in paragraph A(1) of the Agreement, which is defined by section 34(a)(1) of this Act and modified by section 34, and shall not affect the relinquishment by NANA described in section B(1) of such Agreement.

“(b) NANA Regional Corporation, Inc. (‘NANA’), may convey by quit-claim deed to the United States all of its interest in the surface and subsurface estate in any lands described in subsection (a) of this section: *Provided, however,* That NANA can relinquish only lands that are compact and contiguous to other public lands within the Krusenstern National Monument and, if the lands to be relinquished have been disturbed by NANA, the Secretary must first determine that such disturbance has not rendered the lands incompatible with Monument values.
