## PRAIRIE DOG AND BLACK-FOOTED FERRET MANAGEMENT

This appendix shows the prairie dog towns in the Phillips Resource Area. Prairie dog towns on non-BLM lands are shown if they are within a BLM allotment and/or would be within the area identified for black-footed ferret reintroduction. The first line above each group of towns shows the allotment number, allotment name and permittee.

The management (MGMT) codes in the last column are as follows:

F = town identified for black-footed ferret reintroduction

S = town identified for prairie dog shooting

\* = town on non-BLM land that is within the black-footed ferret reintroduction area.
