## REQUEST FOR PROPOSAL (RFP)

### Majuro Hospital Redevelopment Plan

A Pre-Bid meeting will take place on August 15, 2007 in MOH conference room for this Compact-funded project as part of the RMI's Infrastructure Development and Maintenance Plan. The Ministry of Health is issuing this Request for Proposal (RFP) to experienced consulting firms who can demonstrate that they can supply all the necessary services and skills required to deliver a fully operational hospital, whilst maintaining continuous functionality throughout the construction period, within the staging discussed in the Project Development Plan and its Addendum.

Consultants will be required to predict the price of the completed hospital including equipment when formulating their bids. The current PDP and its addendum allows for 196, beds but it is envisioned that the final size of the hospital will be approximately 120 beds.

The selected consultant will be required to design, bid, award, and supervise all construction contracts.

Prospective bidders should email their Initial enquiries or requests for RFP documents to:

Secretary of Health  
Ministry of Health
