<sup>1</sup> Mean hours per week in nonparental care among preschool children enrolled in nonparental care arrangements.<sup>2</sup> Excludes children who have entered kindergarten.<sup>3</sup> Excludes data for households with no mother present in household.<sup>4</sup> Excludes children living apart from their parents.

NOTE: A child's "primary arrangement" was defined as the regular nonparental care arrangement or early childhood education program in which the child spent the most

time per week. Detail may not sum to totals due to rounding. Standard errors appear in parentheses.
