

Boats on Interior Lakes Program

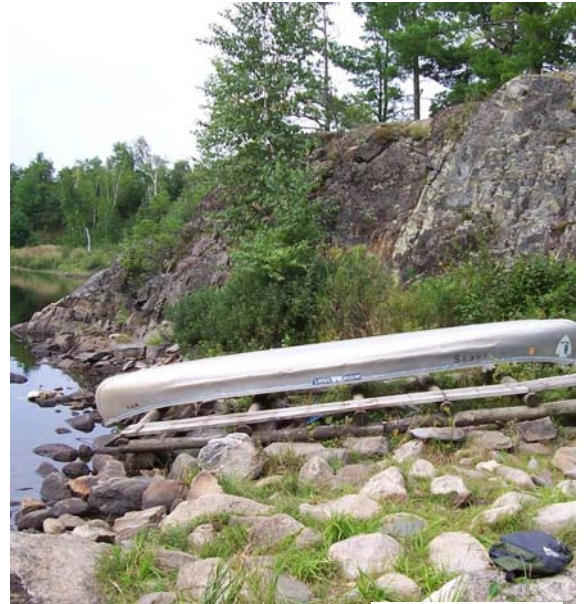

What is it?

The interior lakes of the Kabetogama Peninsula offer a variety of hiking, camping, and fishing opportunities. To help you enjoy your experience, Voyageurs National Park rents canoes and rowboats at nine sites on the Kabetogama Peninsula.

Where Are the Boats & Canoes?

Locator Lake

Locator Lake can be reached by a 2 mile, one-way trail that begins on the north side of Kabetogama Lake. There are several canoes and boats at this site; some are for day-use only while others are for overnight use.

Ek Lake Canoe

Quill Lake

To access Quill Lake, visitors must canoe from Locator Lake to War Club Lake. A short portage trail exists between the far northeast corner of War Club Lake and the western edge of Quill Lake. The Quill canoe is stored at the end of the portage trail.

Little Shoepack Lake & Shoepack Lake

Little Shoepack Lake and Shoepack Lake can be reached if you start from Lost Bay on Kabetogama Lake and follow the trail to Jorgens Lake. The trail from Jorgens to Little Shoepack is not maintained. Pick up directions when you check out the key. Accessing these lakes can be difficult and requires the use of topographic maps and a compass. Because the Shoepack boat is on an island, hikers intending to use it must portage the Little Shoepack canoe over to Shoepack Lake. Boats on both lakes must therefore be reserved.

Ek Lake

To access Ek Lake hike in from Lost Bay on Kabetogama Lake. The canoe is located on the south end of the lake at the end of the trail.

Cranberry Creek

The canoe is located at the end of a 1.3 mile trail starting at the south end of Cranberry Bay on Rainy Lake. The canoe can be paddled up Cranberry Creek to access Locator Lake. Note: Paddlers will encounter beaver dams and possible low water obstacles along the creek.

Cruiser Lake

Cruiser Lake may be reached along the Cruiser Lake trail via a 4.5 mile hike from Lost Bay on Kabetogama Lake or a 4.4 mile hike from Anderson Bay on Rainy Lake.

Brown Lake

The canoe on Brown Lake can be reached by hiking in from Browns Bay on Rainy Lake.

Peary Lake

The canoe on Peary Lake is accessible from a short trail in Finger Bay on Rainy Lake.

Planning

- Pets are not allowed in the backcountry.
- Overnight camping permits are required.
- All individuals must bring and wear a U.S.C.G. approved personal flotation device (lifejacket).
- A boat or canoe reservation on an interior lake does not guarantee the use of the campsite on that lake.
- Trailheads to the interior lakes can be reached by private boat, the Locator Lake Shuttle (call 888- 381- 2873) or by water taxi. A list of local businesses providing water taxi service is available in the park’s newspaper, the *Rendezvous*.
- Boats and paddles must be returned and locked in the storage area.
- Keys must be returned to the visitor center by noon the day after the boat is used. Keys may be left in the “drop boxes” outside the visitor centers.
- Boat lock keys may be checked out at the visitor centers between noon on the day before the reservation and 10 a.m. on the day of the reservation.
- When picking up the key, visitors will review and sign a special use permit and pay the \$10/day per boat fee.
- Payment must be made by cash or check.

Available Boats

<u>Lake</u>	Number of canoes	Number of rowboats	Limit of days	Limit of nights	Reservations and key pick up location
Brown	1		3	2	RL
Cranberry Creek	1		3	2	RL
Cruiser	1		3	2	KL / AR
Ek	1		3	2	KL / AR
Little Shoepack	1		3	2	KL / AR
Locator—overnight	2		3	2	KL / AR
Locator— day use	5	2	1		KL / AR
Peary	1		3	2	RL
Quill	1		3	2	KL / AR
Shoepack		1	3	2	KL / AR

Reservations

Reservations may be made up to one week in advance in person or by calling the following visitor centers between 9 a.m. and 5 p.m.

KL = Kabetogama Lake (218) 875- 2111

RL = Rainy Lake (218) 286- 5258

AR = Ash River (218) 374- 3221 (key pick up only)
