—Not available.

¹ Numbers of undergraduates may not equal figures reported in other tables, since these data are based on a sample survey of students who enrolled at any time during the academic year. Includes all postsecondary institutions.

² Includes students who reported they were awarded aid, but did not specify the source or type of aid.

³ Details on federal and nonfederal work study participants are not available.

⁴ Includes students who were single, divorced, or widowed.

NOTE: Row may not sum to totals due to rounding and/or the fact that some students receive aid from multiple sources. Because of rounding and survey item nonresponse, enrollment data may not add to totals. Data include undergraduates in degree-granting and non-degree-granting institutions.
