# Rounds to zero.

<sup>1</sup> Includes a relatively small amount from nongovernmental private sources (gifts and tuition a transportation fees from patrons). These sources accounted for 2.3 percent of total revenues in 2000–01.<sup>2</sup> Revised from previously published figures.

NOTE: Beginning in 1980–81, revenues for state education agencies are excluded. Beginning in 1988–89, data reflect new survey collection procedures and may not be en-

tirely comparable with figures for earlier years. Detail may not sum to totals due to rounding.
