

Idaho Interagency Cost Share Training

Description: This Interagency training will provide information on governing authorities that allow us all to cooperate; with discussion on cooperative fire protection agreements and the language that allows us to enter into cost share agreements (master, statewide, and local), trigger points for entering into a cost share, the components of a cost share agreement and what happens after the smoke has settled.

Target Audience: Federal and State line officers and significant fire staff who have been delegated authority to negotiate cost share agreements for their respective agencies

Dates/Times: April 20, 2009 1000 - 1700

Location: BLM Idaho State Office
Sage Brush / Ponderosa Room
1387 S. Vinnel Way
Boise, Idaho 83709

Tuition Fee: There is no tuition for this training
