Room 10202, 725 17th Street, NW
Washington, DC 20503

Dear Office of Information and Regulatory Affairs Hunt:

I am disgusted and appalled that the Administration is using suspect and weak science to justify the devaluing the life of people over 70; let alone that the rerasoning is being used to reduce regulations that protect the public. Please get real! You and I both know who benefits from this fraud. Do your job right or resign.

Sincerely,

Ryan Langemeyer
