

39.1 Eagle Creek Rapids Class III - There are some holes and rocks to avoid here.

39 Deer Creek - A large gold mine is located three miles up this creek.

37.2 Cottonwood Creek Rapids Class II

36.2 Billy Creek Rapids Class II - The creek and rapids are named for a Nez Perce Indian named Salmon River Billy who once lived here. Chief Joseph and his followers forded the Lower Salmon River below the mouth of this creek while fleeing the U.S. Army after the White Bird Battle. Although the water was high, no lives were lost.
