My AbilityOne Commitment

I value the contributions of people who are blind or have other severe disabilities and am willing to support the AbilityOne Program through my actions. I commit to:

- Honor the contributions of people who are blind or have other severe disabilities
- Recognize that over 60% of these working age Americans are not employed
- Help AbilityOne provide valuable employment opportunities to this population while meeting DoD contract requirements
- Help maximize this talented, highly motivated American employment resource
- Proactively recommend items for the Procurement List, award contracts for AbilityOne products and services, and encourage others to participate
- Support AbilityOne employees who, in turn, support our Warfighters
