IE 4 on MacOS:

The screenshot shows the Internet Explorer 4 browser window on a Mac OS. The title bar reads "U.S. Department of Justice". The menu bar includes "File", "Edit", "View", "Go", "Favorites", "Window", and "Help". The address bar shows "http://www.d...". The browser toolbar contains icons for Forward, Refresh, Home, Search, Mail, Favorites, Larger, Smaller, and Preferences. The main content area displays the DOJ homepage with a dark background and a large image of a building. The text "U.S. DEPARTMENT OF JUSTICE" is prominently displayed in the center. A vertical sidebar on the left lists various links: DOJ Homepage, What's New & Hot, Organizations & Information, Press Room, FOIA, Publications & Documents, Employment, Business with DOJ, Community Support & Grants, Fugitives & Missing Persons, and Justice for Kids & Youth. At the bottom, there is contact information for the Department of Justice.
