CONFIDENTIAL

REDACTED

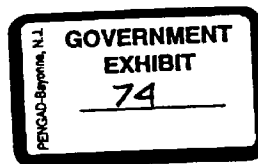

FYI, when talking to a representative of Telecom New Zealand, he told us that MS had just offered to upgrade their 9000+ Win 3.1 installation to Win95 for free if they were going to use IE as their internal client. The contact from Telecom Internet Services was:

Telecom Internet Services  
Nevin Grieve  
Service Development Manager  
Level 3, Duthie Whyte Building  
120 Mayoral Drive  
Private Bag 92028  
Auckland, New Zealand
