OMB No. 1018-0093

Dear ESA Museum Permittee:

Enclosed is your new/renewed Endangered and Threatened Species Museum Permit. Please be sure to read all permit conditions and use the ESA Museum permit correctly. Be aware that this permit only authorizes export and re-import of preserved, frozen, dried, or embedded wildlife specimens or herbarium specimens currently accessioned in your museum.

Reporting Requirements. On an annual basis, permittee must provide a report (see format below) to the Division of Management Authority which may be submitted as a spreadsheet as described in the below table. Copies of all validated Export/Re-import Reports must also be submitted along with the annual report. If there is no activity to report, permittee must provide a signed statement confirming that no export/re-import activities occurred during the year being reported. If reports are not received annually, your permit may be subject to revocation.
